“There is no greater joy nor greater reward than to make a fundamental difference in someone's life.”

– Mary Rose Mcgeady

A Foreword

It is unfortunate that some people struggle hard to acquire even basic amenities while others over-enjoy these necessities. We believe that most of the times it's the ignorance of their capabilities that restricts their social and personal advancement.

We urge people to a better stance by providing them education, employment, insight to think high and improve standard of living by self-efforts rather than directly providing them money. With our initiatives like Jagriti Vidya Mandir, LIGHT, PRAYAS we focus not on helping people financially, but we are determined to provide them employment, education, insight to think high and improve standard of living by self-efforts.

Here is a summary of the activities that GYWS carried out in 2019-2020.

GYWS is thankful to all the kind donors for their generous support to our organisation and students who served GYWS with unparalleled dedication and helped us to make our efforts fruitful.

Words That Matter

From the Desk of Patron

The society is fortunate to have some young Samaritans who have always committed themselves for the humanitarian cause of uplifting the condition of the poor and enlightening the future generation, let all of us join our hands together to make this endeavour, envisaged to help the needy aspire for a better future, become a success.

Prof. Madhusudan Chakraborty
Former Director, IIT Bhubaneswar

From the Desk of President

Gopali Youth Welfare Society (GYWS) was established with the objectives of making people aware of problems faced by the modern society. It also aims at helping people's social, economic and cultural development and encouraging them to find out solutions to their problems on the basis of locally available resources.

Mr. Mrinal Kanti Bhanja
Founder, Gopali Youth Welfare Society

From the Desk of Ex- President

"Since its establishment in 2002, Gopali Youth Welfare Society has successfully launched and carried out several training and development activities in and around the Gopali. In the past we have established rural libraries providing vocational training to the people from under-privileged section of society beside carrying out several awareness generation programs. We will strive to continue with this program while expanding our base. We have been helped in the endeavours by our advisory members and the local population. We express our gratitude to them and our well wishes."

Ms. Suparna Mondal
Former President, Gopali Youth Welfare Society

From Eminent Personality-1

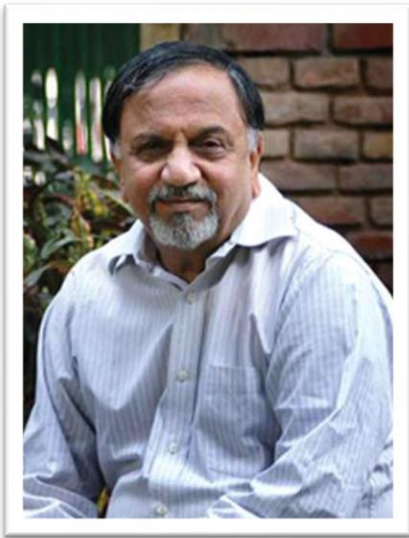

"Having attended some GYWS events, the determination of the students to make a change amazes me. This is worth applause that they have taken the initiative to work for the underprivileged. I feel privileged to have such students in the campus who seek to give back to the society. Hope to see GYWS as well as other students come forward with more such initiatives."

Prof. Partha Pratim Chakraborty
Former Director, IIT Kharagpur

From Eminent Personality - 2

"I was happy to see the diverse activities being taken up by the Gopali Youth Welfare Society. The social commitment being continuously shown by the students and faculty of IIT Kharagpur to share knowledge and time with the inhabitants of Gopali and its surroundings is laudable. I was also impressed with the details of expenditure for the last few years which they have displayed on the website. I wish them all the best and send my good wishes."

Mr. Sailesh Gandhi (IIT Bombay, '63 batch)
Former Chief Information Commissioner,
Government of India.

From Eminent Personality - 3

"I would like to recognize GYWS at IIT Kharagpur at which I found out about when I visited PAN IIT GLOBAL CONFERENCE 2012 and what I said was about, you have got to establish a cause you would like to give back to and I'm extremely happy this organisation exists within IIT Kgp campus."

Mr. Roy Da Silva (IIT Kharagpur, '74 batch)
Former President, IIT foundation

Words from the Advisory Committee

"Gopali Youth Welfare Society firmly establishes a hope for better future where people and especially students inculcate a sense of social responsibility. It is very impressive endeavour made by the students of IIT Kharagpur by providing free of cost education to underprivileged children. While these students of Jagriti Vidya Mandir are the future of our country, these members of GYWS are venturing in laying out a path for the future of these students."

Prof. Adrijit Goswami

Professor, Department of Mathematics, IIT Kharagpur

"Running a school is no small task. It is only possible due to the hard work and determination showed by the members of GYWS in striving to maintain Jagriti Vidya Mandir. The students of IIT KGP should feel proud of all of their success in providing each child the privilege of good education. GYWS has also shown incredible creativity and motivation in their attempt to rectify as many social problems as possible through various schemes such as Paperkraft and e-Samadhan."

Prof. Amit Patra

Professor, Electrical Engineering,
IIT Kharagpur

"Atmana Mokhsartham Jagat Hitayacha.. The words from Swami Vivekanda inspires us in every initiative and action. We are tirelessly fostering the message that- we cannot reach to our goals without caring others. Today it seems very unknown and forgotten statement in the society full of hatreds and individualism. We have taken up this challenge to ensure equity and equality to the future society. We are also engaging us in defining and determining tomorrow with technology advancement and appropriation. I am happy to be associated with GYWS."

Dr. Bhaskar Bhowmick
Professor, Rajendra Mishra School of Engineering Entrepreneurship,
IIT Kharagpur

"Gopali Youth Welfare Society (GYWS), run mainly by IIT Kharagpur students, is striving for betterment of children and surrounding people since its inception by not only helping them with food, clothing and shelter but also providing proper scientific education, guidance and care for children in the best way possible. I have seen the never-ending energy of its student volunteers for planning to implement their novel ideas for the improvement of livelihoods of the surrounding people. I am confident that student members of this society will be successful in showing way to others by their path breaking ideas."

Prof. Damodar Maity
Professor, Department of Civil Engineering, IIT Kharagpur

"I am really happy to learn that society is working towards the all-round development of youth and women in the locality though they started with the objective of providing free education to the underprivileged children. I am happy to learn that student's bodies are taking several steps to make the system transparent from a financial point of view and following standard approval procedures for any new initiative or procurement. Finally, I express my heartfelt gratitude to the Executive Committee members, advisors and other team members of GYWS a great success in their endeavour in years to come"

Prof. D.K. Maiti
Professor, Aerospace Engineering, IIT Kharagpur
Chief Advisor, GYWS

"Equal education to every child is highly essential in dreaming a developed nation in all fronts. The Gopali Youth Welfare Society (GYWS) with involvement of our students not only provides an excellent learning environment for the needy children, but also inculcate the spirit of unity, service to nation, kindness, humanity, etc among the talented youth and this is the need of today to see our country developed and glorified in the world. I appreciate the activities of our students through GYWS and wish every success in their endeavour."

Prof. Dillip Swain
Professor, Agriculture and Food Engineering
IIT Kharagpur

"Society is purely the extension of ourselves. Though we stepped in 21st century there are still several bleak aspects remain in our society especially in the developing countries like India. Illiteracy, poverty, lack of health consciousness, lack of social consciousness, lack of worldly knowledge are major among them. We, the so called well to do class of these countries should feel for the down trodden. It's our moral duty to uplift the suppressed from the bleakness they are living in.

Out of these sacred some of the educated youth grouped together to do something in the field and GOPALI YOUTH WELFARE SOCIETY came into being.

We have strong faith in ourselves and we have the determination that our assembled force will lead us all through the path of the purest desire, we want to do. In our way forward, we need the extended hands of everyone who belong to our society along with the assembled force us, we not only enable them, we, in fact, live move from being mere human beings to becoming Divine Human Beings. For in the service of the others lies the Service or Devotion to the Divine."

Prof. H R Tiwari

Ex-Professor, Department of Humanities and Social Science, IIT Kharagpur

"The fact that a group of students of IIT Kharagpur run a fully-fledged NGO leaves me filled with immense pride. As an advisory committee member of GYWS and having closely observed all their activities, I can personally speak of the hard work they put in and the level of commitment they show. They are breaking the trends which see IITians aiming at bagging high salary jobs as soon as they enter the campus. These people are contributing back to the society and their contribution is making a difference."

Prof. N R Mandal

Ex-Professor, Ocean Engineering and Naval Architecture,
Ex-Dean SA, IIT Kharagpur

Gopali Youth Welfare Society is doing a great job of providing free education to the under privileged students. Their venture is not only limited to the child education. They are trying to spread social awareness and education among the village women as well. It has involved IIT Kharagpur students for these novel social causes. Being a part of IIT Kharagpur, I feel proud of these students who are putting lots of effort in spite of their busy academic schedule. I wish all the best to the whole group and hope to see many successful students coming out of their school.

Prof. Sasmita Mohakud

Inspire Faculty, Department of Physics, IIT Kharagpur

"I personally believe that we all are working (either employed or self-employed) for ourselves and ourselves alone. But when we move out of this sphere of narrow selfish thinking and try to earn goodwill plus blessings instead of a mere salary or wealth, we become more than what we are actually capable of. We move into the outer ring of service to society or Community Building - of those who don't have what we have. Whenever, we reach out to the downtrodden, or deprived (in whatever sense) or the illiterate, or anyone in any sense lesser than us, we not only enable them, **we**, in fact, live move from being mere human beings to becoming Divine Human Beings. For in the service of the others lies the Service or Devotion to the Divine.

Since 2002, Gopali Youth Welfare Society (GYWS) has been a noble initiative of the students of IIT Kharagpur to give back to society what they have already earned. Being students of the oldest IIT, Volunteers from IIT Kharagpur (at UG, PG, PhD levels) have proved the old truth time and time again in whichever welfare program they have undertaken since 2002 - whether it be EaCH, Prayas or the Agricultural project now blossoming at their Prime spot - the Jagriti Vidya Mandir, Salua. I wish the Selfless Volunteers of the GYWS, the very best in all their noble ventures and am confident that in one way or the other, they will always remain Blessed for each and every action which brings them closer to the lowest rungs of society."

Prof. Seema Singh

Professor, Department of Humanities and Social Science, IIT Kharagpur

"When I first met the group of Gopali Youth Welfare Society, I was amazed to see their enthusiasm in taking part in various social initiatives, especially in spreading free education among village children. I see two benefits of this system. It raises the educational standard of one locality. But the major social impact comes from the involvement of the bright students of IIT Kharagpur in this social venture. These students from various parts of India are getting first-hand experience in such social activities and they are potentially able to spread the awareness and activities nationwide. I hope, many more people will be inspired by their enthusiasm."

Dr. Sudipta Datta

Assistant Professor, Department of Physics, IISER
Tirupati

"In a world where most people are struggling to find time even for themselves, these students of GYWS have put precious time and effort into making Jagriti Vidya Mandir an unimaginable success! It is refreshing to see such high spirits and concern for the betterment of the society amongst today's youth. I wish them success in all their future endeavours."

Prof. Sudipto Chakraborty

Professor, Chemical Engineering, IIT Kharagpur

About Us

Gopali Youth Welfare Society is a registered non-governmental organisation established in the year 2002 with the idea of giving back to the society. Registered under the West Bengal Societies Registration Act of 1961 in 2004, this NGO operates mainly in villages around Gopali near Kharagpur. The organisation has undertaken various activities in backward areas of Kolkata.

With the twin objectives of making the youth and society aware and of ensuring socio-economic welfare for underprivileged and weaker sections of the society, various projects are being successfully run by the society and have proven to be milestones in bringing the change. The society is trying to help women, children and aged people through basic sustainable guidance and management infrastructures. Projects like Child Rights protection and rehabilitation, LiGHT and PRAYAS are playing an important role in improving socio-economic grounds. KGP Blood Connect has marked active presence of the organisation in grounds of medical awareness. Initiatives like PRAYAS and Social Cell are playing important role in motivating the youth and providing them the opportunity to work for the society. The major initiative of the society is Jagriti Vidya Mandir (JVM), an English medium school providing free of cost education to children from weak financial backgrounds.

The society seeks to fulfil its objectives with the help of its executive body which is composed mainly of students of IIT Kharagpur who are dedicated to the service of needy and deprived under the guidance of professors of IIT Kharagpur. The professors have constantly motivated and encouraged us to achieve our goal. The local members are the pillars of strength of our society. The local support which the society enjoys has seen it prosper and spread its branches and the organisation is now planning to expand its reach by setting up its new chapter in various other cities.

Vision

We aim to build a network of autonomous student-run centers across India, to provide them with a platform for ensuring the fulfilment of Sustainable Development Goals for the weaker sections of the Society.

Mission

Gopali Youth Welfare Society is changing lives of people in and around Kharagpur by providing quality education to underprivileged children and ensuring a life of dignity for adults by conducting relevant skill development programs.

Objectives

The society is a non-profit seeking organisation and shall:

1. Work for the overall welfare and all-round development of vulnerable sections of the society and promote sustainable development.
2. Provide education to all children by setting educational institutions and library.
3. Work for the rural upliftment by improving health related facilities, water supply, irrigation, agriculture, and cottage and village industries.
4. Facilitate the people to get the available assistance from the different departments of govt. and other welfare societies.
5. Help and assist the meritorious but needy students of all communities for continuing their studies and to assist the dropout school children by bringing them back to schooling.
6. Empower the youth by providing them with the required training, resources and a platform to lead initiatives to eradicate social problems.
7. Facilitate entrepreneurial activities by providing the locals with resources and strategy, to raise the standard of living and generate employment.
8. Empower the community through formation and nurturing of self-dependent groups in the communities and capacity development through vocational training.
9. Maintain records of all activities, publish reports and assess the impact.

Journey So Far

Since very young age, Mr. Mrinal Kanti Bhanja, founder of Gopali Youth Welfare Society was remarkably enthusiastic to serve the society. It was his vision that has shaped Gopali Youth Welfare Society in the form we see today.

Gopali Youth Welfare Society was founded in 2002 and got registered under the West Bengal Societies Registration Act, 1961 in the year 2004. What started as a vision with a few enthusiastic students willing to bring a change has now flourished into a well-recognized organisation today which has changed the way of life of many.

Throughout its journey, GYWS has received support from the professors of IIT Kharagpur, including Prof. Damodar Maity, Prof. Adrijit Goswami, Prof. Sasmita Mahakud, Dr. Sudipta Dutta, Prof. Sudipto Chakrabarty, Prof. D. K. Maiti and Prof. Amit Patra who guided us throughout the journey as the advisory committee. New advisory committee members include Seema Singh, Prof. Dillip Swain and Dr Bhaskar Bhowmick. GYWS presently runs under the able guidance of Mr. Mrinal Kanti Bhanja as President.

GYWS has undertaken several initiatives such as KGP BloodConnect, tree plantation drive, e-Samadhan, Prayas, Helping Hands and Jagriti Vidya Mandir. In recognition of its activities, GYWS has received a lot of support from many sources such as various NGOs like Nehru Yuva Kendra, Red Cross, BAM India as well as 3 Bengal Tech Air Squadron NCC. We have also received constant support from students of IIT Kharagpur and the professors here as well as student run organisations within the institute.

The prime initiative of Gopali Youth Welfare Society is Jagriti Vidya Mandir, an English medium primary school situated in the village Tangasol providing free of cost education to around 250 children from financially poor background.

What started as a small venture held in a rented classroom at I.M. High School is now a successful primary school situated on its own 2 acres of land in Salua, consisting of 4 complete units, comprising of 8 classrooms. All of this progress could not have been possible without the help of the IIT students, the professors of IIT Kharagpur in helping with the construction process and TIARA Foundation.

Though JVM remains this society's major initiative, it has conducted many other undertakings and welfare schemes as well. Welfare schemes of GYWS cover a wide range of issues including free education, social awareness campaigns, vocational training, child labour issues, health camps and women empowerment.

The present scenario is quite incredible with a vast number of members, ranging over UG students, PG students, research scholars, alumni and support from professors, individual donors and various industries.

The organisation currently operates in Kharagpur and we are expanding our vision to other cities of India under the LiGHT Initiative.

Under the initiative LiGHT, the expansion program of GYWS, undergraduate members have aimed at forming a PAN India network of socially motivated students. LiGHT works on its 8 listed objectives-L8 which are Quality Education, Women Empowerment, Healthcare Awareness, Save Environment, Youth Upliftment, Social Awareness, Food for all, Collaboration to succeed

through teams formed in various colleges across India, integrating all the ideas, experience and efforts of different minds across the nation under the lead of the centre at IIT Kharagpur and hence delivering optimum results due to participation of all.

New initiatives introduced this year include Aarohan, Innovative Education Council and Hostel Project for the students of JVM.

IIT Kharagpur Chapter

The IIT Kharagpur Chapter is primarily managed by the IIT Kharagpur members under the guidance of some professors. This group is responsible for the undertaking of any projects initiated by Gopali Youth Welfare Society, maintaining relations with the IIT professors, spreading the word in and around the campus, fundraising and maintaining financial accounts.

The IIT Kharagpur chapter primarily works in and around the village Gopali, chiefly concerned with smooth operation and development of Jagriti Vidya Mandir, an English Medium school run by GYWS for providing free of cost education to underprivileged children. Many other initiatives are undertaken by the team such as KGP BloodConnect, medical camps and various awareness and training workshops.

Promotion of GYWS in various extension programs in colleges throughout India is done by these members. IIT Kharagpur chapter also maintains the website and releases GYWS Annual report and Audit report.

Jagriti Vidya Mandir

Marking illiteracy as its prime concern, GYWS embarked on an education program in April 2008: Jagriti Vidya Mandir, an English Medium primary school. Its main motto is "To educate each and every child for a better tomorrow". GYWS is focused upon providing quality education aimed at educating the children, imbibing the true ideals of humanity in them and thus enlightening the future generation paving the way to a prosperous tomorrow built on a strong today.

Jagriti Vidya Mandir is an English Medium School which aims to provide quality education to underprivileged children absolutely free of cost. It is located in Tangosol village, 1.5 km from Salua Air Force Station which in turn is 5 km from IIT Kharagpur campus. The school is running in its full-fledged form from 15 April 2008. At present, classes up to 5th standard are running. Ten full time faculties give their services as tutors. Our target group is BPL (Below Poverty Line) students and dropouts. We provide books, uniform free of cost to the BPL students and at a nominal fee for other students.

There are about 250 students enrolled in Jagriti Vidya Mandir from Nursery to Class 5. The school timings are 8 a.m. to 1:40 p.m. There are 10 teachers, with the teacher in charge being Mr. Ajoy Roi. The school also has 3 Aya and some helpers. After a student completes his class 5 from JVM, he is sent to Hijli High School. The educational expenses of the kids are covered by Gopali Youth Welfare Society.

Earlier the school used to run in rented campus of another school, Gopali I.M. High School from 7 a.m. to 10 a.m. Now, JVM aspires to be a residential full-fledged school for students of BPL families offering variety of courses at +2 level, vocational training and career guidance.

Saraswati Puja

Date: 29/01/2020

Venue: Jagriti Vidya Mandir

Objective: 'Basant Panchmi' marks the auspicious day in Hindu tradition when new students start the journey of their education while old students pay respect and obeisance unto Goddess Saraswati seeking her blessings. This day is celebrated considerably in West Bengal and we hope to teach the children importance of this day and seek the blessings of this Goddess along with our students.

Chief Guest: Pandit Ji from local place

Activities: This day was dedicated to worshipping Saraswati, the Goddess of knowledge and seeking her blessings to help have a fruitful academic year ahead. This puja was as much about devoting our time to Goddess Saraswati as much as it was about reminding our students about the importance of education and motivating them to pursue knowledge in any venue available. This program brought together the students, the teachers and our members in a festive and fun atmosphere. Everyone dressed their best and came bearing flowers as an offering to the Goddess. As per the Bengali tradition, a fire ceremony was performed and Prasad and sweets were distributed.

Other Activities

JVM School Construction

Journey which started in the year 2008 is nearing a milestone. In 2008, GYWS took up the cause of educating underprivileged children in and around village Gopali. Despite the increasing no. of schools in the area, these kids didn't have access to education because all the schools run in nearby areas have very high fee which poor families can hardly bear. So, GYWS decided to provide free primary education to these kids. Thus, Jagriti Vidya Mandir came into existence. With a humble beginning with 34 kids and a single rented room at I.M. High school, today JVM has over 200 students, classes up to 5 and 10 full time faculties.

With every year, Student strength increased and space available at I.M. high school was no longer sufficient. Also, JVM ran in the building of I.M. High school from 7:00 AM – 10:00 AM. Three hour duration is not sufficient to cover syllabus of higher classes. Also, students missed out having due focus on extracurricular activities due to constrained school hours.

To solve these issues, JVM's own campus was planned in 2011. With the generous support of Tiara Foundation, New Delhi, GYWS was able to purchase 2 acre land in village Gopali in 2012.

Construction of building commenced in 2013 with donations from IIT Kharagpur students. Currently 4 units have already been completed (out of which 1 unit was commenced by Prof. Damodar Maity). All units

were divided into two rooms. Also, all rooms have been electrified. Fans, Lights have been installed. Water tanks has been constructed. Trees have been cut. Now, since there are 8 classrooms, entire school is running in single shift.

Also, Prof. Damodar Maity of Civil Department, IIT Kharagpur constructed a small house under 'low cost alternative rural housing project' on JVM land. This house is already under use by labours and GYWS night guards at the JVM construction site.

In the session 2016-17, 4th unit of JVM had also been painted (3 of these units were painted before start of this session). All the units of Jagriti Vidya Mandir had been painted with combined efforts of GYWS and Spectra. Members of both the societies beautifully sketched and then painted the entire front wall of the newly built unit after 10 hours of effort. The same year, fencing of the school campus was done along with construction of entrance gate.

In the year 2018-19, painting of the fence and electrification work was undertaken. Under the electrification work, new lights and fans have been installed, existing have been repaired and a complete electricity supply were set up.

Upgradation of School Library

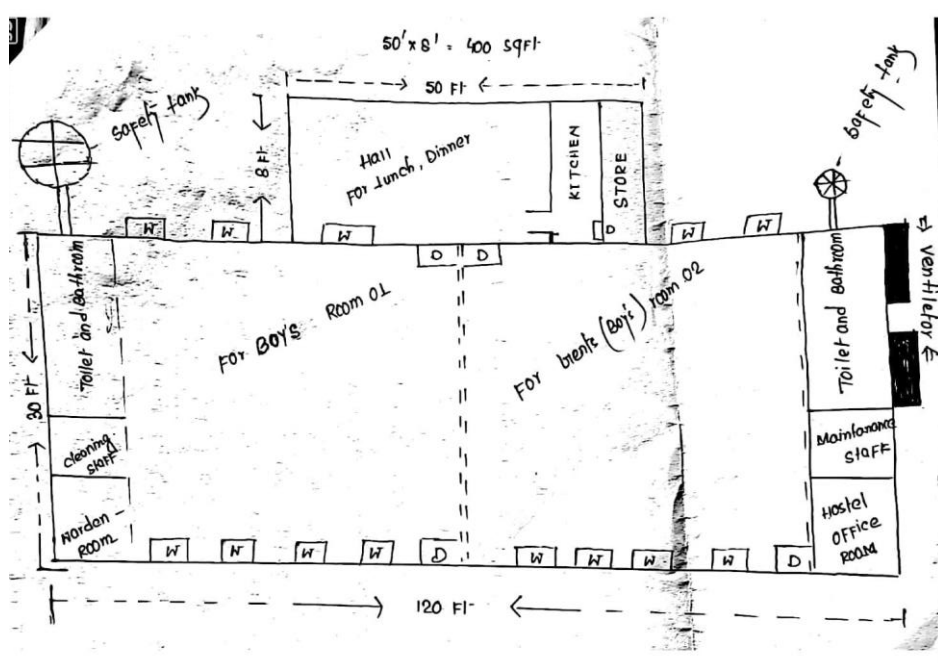

Innovate to Teach & Teachers' Training Teams and School Teachers are involved in enlisting story books which will attract children and results in their reading, listening and speaking skills. Further plan is to conduct storytelling sessions, basic drama performance in the classes and reading such story books.

Hostel Facility

This year we are constructing a boarding facility for 150 students and expandable. The hostel will greatly reduce the burden for those parents who find it difficult to send their children to school that is far from their home.

Further they will be provided with tuitions and academic attention throughout the day. A special curriculum has been developed for the overall growth of the students.

The hostel will not only provide accommodation to JVM students but to any interested student. Those students will be provided with transportation to go to their respective school.

Innovative Teaching

We set up the Innovative Education Council with an objective to improve the quality of education at Jagriti Vidya Mandir. Seeing the problem exists in most government primary and pre-primary school, we are now working on organizing all of our findings into books.

Initially, we are looking to work on activity-based learning books for Mathematics, English and co-scholastic development for pre-primary and primary classes. We have thankfully received all content developed by the Akshara foundation. Our team have worked to further extended upon this material.

The **book for mathematics** is primarily inspired by the content provided by the Akshara foundation. It is reliable and validated content as they have been able to bring about a change in education in their region successfully.

The book for co-scholastic development comprising of year-long activities that a teacher can conduct on a daily basis in the classroom. **We have prepared a list of 100 activities, one for every working day of the semester.** These activities are organized into 4 sections, based on the targets, as follows - Gross Motor Skills, Fine Motor Skills, Logic and Intellectual and Social-Emotional Development. In addition to this, we have added activities in Yoga, Meditation and happiness that are aimed towards re-energizing the students spiritually and helping have a fresh mid-set.

Alongside this, we are working on preparing a 3/5 days program to train the teachers to use the content. This is the most crucial part of the entire project as teachers are the ones who will be regularly interacting with the students and be taking forward the initiative through the years.

Cleanliness Drive

Date: 02/10/2019

Venue: Anganwadi near IIT Kharagpur

Objective: Cleanliness Drive

Activities: The members went to the selected site and cleaned the site. They collected garbage from the side of the road and swept the road. Also, the members went to nearby Anganwadi centre to interact with the kids and make them aware of the importance of cleanliness

Output of the program: The site was cleaned. The local people were asked to maintain cleanliness. Kids of Anganwadi got to know how to keep their surroundings clean.

Future Plans

We seek to take Jagriti Vidya Mandir to beyond its current primary level to complete school cum hostel catering to the needs of over 500 students. The facility will not only provide education up to 12th grade, but will also take responsibility of ensuring that its students settle in their professional or educational lives before they leave.

Website (www.gyws.org)

In today's world where almost everyone uses mass media to remain socialized and read newspapers to get to know what is actually happening around. Hence, it is vital that the website should be attractive, informative and user friendly i.e. easy to use for all. GYWS, being an NGO that runs entirely on donation from general masses gives utmost importance in maintaining full transparency and providing detailed records of all financial transactions so as to make general populace satisfied for their investment. Links of GYWS's various social media pages (Twitter, Facebook, Google+, Instagram, LinkedIn) are there on website. Under Members tab one can find the complete details of the members of GYWS, other than that we also have About us tab which provides information about our organisation, our aim, few words from our founder. We do have several Initiatives and one can get to know about them through Initiative section. One can also get to know about the recent activities that are going on through website. GYWS annual report, Audit Report, different forms, Authentication certificates can be found under the documentation section of the website.

Our Bank Details, and other necessary information like the SI Form, General Donation Format etc. are available in e-format in website that will help for ventures such as Educate a child, Earn A smile etc. Under the media coverage section one can find the different media bodies that recognized and appreciated our work. Under Contact Section we also have a suggestion portal in which we would be happy to take on the suggestions and work over it.

Perception About Us

As the IIT Kharagpur batch of 2020 is graduating, our eminent seniors in IIT Kharagpur and representatives of various student associations within the campus share their experience with GYWS. Our seniors have always been a source of inspiration and a motivational figure for us. It is due to their sincere hard work and exuberant leadership that society has excelled in the past years. We are thankful to all the students of IIT Kharagpur for their benevolent support and wish them all the luck in their future endeavours. Our best wishes to the passing out students.

I personally believe that education is one such area where a lot of basic amenities is to be provided and reinforced. The more literate the people are, the better it is for the society. It helps us to have a better understanding about each and every aspect of life. If utilised for a noble cause, Education is the greatest weapon of mankind.

Observing the work of different student organisations across various fields, I feel that the role of GYWS is very unique and it has helped to bring a significant change in the lives of so many people in and outside the campus.

IIT Kharagpur has been established with a vision to nurture individuals, who can give back to the society. The importance of giving to others can't be understated and that's because the secret to living is giving. If you really think about it, what is life all about? Creating meaning. How do you create meaning in your life? It's not about what you do for yourself: It's about how you're able to better the lives of the people around you - the people in your community. When the world is running towards being self-centric. It makes me really happy to see this selfless group actually working towards IIT KGP's vision, striving to uplift the community around. I believe that education shouldn't just be a privilege of the few but a fundamental right for all. Thus, it is our aim to empower every individual through education. It brings joy to my heart when I see the smiles that GYWS brings to the faces of children in Gopali. I really admire the work being carried out by them, looking after complete functioning of school.

“

I have been lucky enough to know many of the members of GYWS very closely, and they are a well-knit group of people who work very well together. I have witnessed the transformation of their members from dedicated juniors to effective leaders who have led GYWS to new heights, and this is because the members are highly motivated towards making a positive impact on society. Even though I have not been directly involved with the group, they have made sure all students have ample opportunities to do their part through a lot of activities and events such as their numerous donation drives. In a place where we sometimes might become too self-absorbed with ourselves, it is refreshing to see a group that works so selflessly and efficiently for the betterment of the less privileged ones, it does put things into perspective. GYWS has my sincerest admiration, and I wish you all the best in all your future endeavors.

Gopali Youth Welfare Society does a commendable job at identifying the needs of the disadvantaged and underprivileged people living beyond the campus boundaries, and working towards implementing actionable measures in order to contribute towards the development of the society as a whole.

Setting up a fully functional English-medium primary school in a rural area, and encouraging parents to send their children to study in it is no easy task. Education is an indispensable tool for self-empowerment and for the upliftment of the society, and by setting up the Jagriti Vidya Mandir, GYWS has seen to it that children who wish to study are not deprived of access to quality education.

Apart from providing education to children, GYWS has taken up other pressing social issues and has tried to develop solutions to them. I wish them success for all their future endeavours.

Although I was introduced to GYWS in my first year itself, it was almost a year later when I actually learned their impact in society. I was invited to Aashayein, the Annual Day Celebration of the children of Jagriti Vidya Mandir (the school which aims to provide free education to underprivileged children). It was such a heartwarming program, and watching the little kids, I couldn't help wonder how much their lives must have been transformed with the work of some of our fellow KGPIans. Needless to say, education is critical for all people, and being IITians, I bet we can't agree more. I'm glad that GYWS is not restricted inside Gopali alone, but also has initiatives like Yogdaan, Pedals for Progress, KGP Blood Connect etc that also involve the rest of the KGP community and give us an opportunity to contribute for a good cause. What GYWS has achieved over the years, can't be judged with mere numbers. I believe they have impacted the lives of hundreds of children, who go ahead to become the pillars of our nation. Their work is commendable and I wish GYWS all the best as they continue with all their endeavours.

My JVM Story

As the Jagriti Vidya Mandir (JVM) functions up to 5th Standard, the students are then sent to Hiji High School for their further education with society covering their educational expenses. Special tuition classes are provided to them by the some of the JVM teachers. Here are the experiences shared by those students about JVM.

My JVM Story

Presently I study in class 10 in Hiji high school. I completed my primary schooling from JVM. My parents sent me there because we can't afford too much. In JVM, the teachers are very kind and helpful. They explain in a good manner and help me when I don't understand the lessons. Coaching classes are given for both, students studying in JVM and also for ones studying in other schools. Cultural programs, sports, events, and many other activities are also organized. This school has given me so much, be it knowledge, discipline, good lessons, and manners. Even today after school, I take tutions from JVM.

Sujal Chhetri

My JVM Story

In JVM, the teachers are very good. Our school gives us dresses, socks, cycle, sweater, etc. We perform songs, dance in our school. There are classes from nursery to class 5. In our school we have a big playground to play in. This gives us many games to play. Our teachers prepare us for the Navodaya Vidyalaya Exam. We also get computer coaching. This is why I like my school very much.

A CLASS APART

GOOD SAMARITANS IIT Kharagpur students are running an English-medium school for the underprivileged

by Meenakshi Chakrabarty

Some students of IIT Kharagpur (IIT-KGP) have been running a free English-medium school where 236 underprivileged children are studying. These techies may be trying to push up their grade point average in order to get a coveted job but they have also found time to offer free education to poor children.

Over 100 students of the institute are actively participating in administering, getting funds and looking after the academics of Jagriti Vidya Mandir (JVM), an English-medium school in Gopali, a village near the IIT-KGP campus.

The school is part of an underprivileged program for the students of IIT Kharagpur with guidance from these professors.

The NGO was set up in 2002 by a local named Mohan Kant, Bhowmik. "We now have classes from nursery to Class V. There are 236 students out of which 108 are girls. Once they complete their Class V we get them admitted in the local governmental school - Hiji High School," said Srishti Gole, a second-year B.Tech student of ocean engineering and naval architecture of IIT-KGP responsible for getting sponsorships for the GYWS.

Just setting up and running the school is not enough. Sunday coaching classes and teacher training are undertaken by IIT-KGP post-graduate student members of GYWS. "We take regular classes for the students of JVM on Sundays, and also train the teachers employed in the school to ensure high quality of education," said Sunny Bansal, a PhD student at IIT-KGP's Ramkrishna and Chitra Gupta School of Design and Management.

Started initially in a leased building, the school has since moved to its own permanent campus. The students have also pulled in Rs 4.29 lakh and bought two acres of land in Gopali in 2012. "Our aim is to set up a full-fledged residential school and slowly upgrade it till Class XII. We want to get the school affiliated to CBSE but to do that we need to follow the affiliation guidelines of the board. And two of the mandatory requirements is that the school has to be on two acres of land and have a playground," said Gole.

"We now have enough space to run only eight classes at a time. We are now aiming at expanding the infrastructure and get furniture for all classes. Our nursery section does not have any furniture yet. In future, we would also have hostels so that the school can be a residential one," Gole added.

But where are the students getting so much money? Through GYWS, the students of IIT-KGP have been running Educate a Child (EaCh) scheme where interested donors can adopt and fund a child's education, including costs for books, stationery, uniforms, transport etc. for an entire academic year.

"We have 12 donors, who are sponsoring the education of our students for an academic year. These donors include the Alumni of Kharagpur professors of Kharagpur as well as some industrialists. And the members

and some students of IIT Kharagpur also donate to GYWS, mainly through standing instructions form," said Gole.

IIT-KGP has not just ensured that the local underprivileged kids get free education in an English medium school but have also rescued 15 child labourers in the area and got them admitted into various schools. "We rescued these kids found working in local careers. The rescued children have been enrolled in nearby government schools and the expenditure of their education is borne by GYWS.

We constantly keep track of their progress in school and maintain contact with the children and their families," said Sonam Yadav, a second-year IIT-KGP student of geology and geophysics.

Under GYWS, the students are also running 'Shiksha-Set' - a project aimed at providing employment and empowerment to rural women, under which women from Gopali are trained to make paper bags from old newspapers.

These are sold in the market, and the revenue is then given to the women in return.

"We collect newspapers from our hostels and residences within the campus and give them to these women to make attractive and trendy paper bags," said Jaswal.

Another popular project run by GYWS is 'e-Samadhan'. "Many villagers do not know how to get their government related work done. Like how to apply for an Aadhaar card, BPL card or a voter ID card. We have a dedicated team to help and guide them on what steps to take to solve their problem. If the problem persists, the team directly approaches the concerned government official and conveys their grievance directly," said Bansal.

Also, from time to time, GYWS team conducts awareness health workshops, rallies and camps on maternal health, bird flu and eye checkups.

"Students get enrolled in GYWS. I know when I pass out and get busy with my career, our juniors will be equally passionate about GYWS and one day our school will be fully residential. It will help underprivileged children to study in an English medium school under CBSE for free till class XII," said another student engaged in the project.

IITians run school to bridge social divide

Ajanta.Chakraborty

Kolkata: A short ride from the hallowed portals of IIT-Kharagpur, nestled in a grove of eucalyptus trees, is a quaint little school, pulsating with energy and cheer. At first glance, it would seem like just another primary school in this tribal region of West Midnapore. What's unique is that it is run by IIT students.

This is no corporate social responsibility activity — the IITians call it "emotional responsibility".

Students of IIT-Kharagpur started Jagriti Vidya Mandir at Tangasol, about 5km from the institute, in 2008. Even today, reaching this English-medium school is an uphill task — quite literally. Our car lurches and groans up the unmotorable sicccha road. Every day, IITians

IGNITING YOUNG MINDS: An IITian teaches students at Jagriti Vidya Mandir, situated five km from the Kharagpur campus

take turns to cycle up this same dirt track to pave the future of some 185 underprivileged kids.

The classrooms have been painted in vibrant themes by the IITians themselves, who lug

along their laptops to give computer lessons — and sometimes let the kids go wild with Microsoft Paintbrush. Class are often held in the open air in the beautiful eucalyptus grove. "IIT-Kgp

was founded in 1951 but it remained oblivious to the underdevelopment that surrounds the campus. Some of our seniors realized this and set up Jagriti Vidya Mandir in 2008," said Vibhu Kumar, a geology and geophysics student. "Life within the walls of IIT is comfortable, the world outside is a stark contrast. It is this contrast that motivates us."

► Social worker's idea, P 4

Today, the school has moved to a permanent 2-acre campus. The four classrooms and a guard's quarters have been funded from Yogdaan, a donation drive organised by IITians and the Tiara Charitable Foundation. The guard's quarter is, in fact, a low-cost experiment by civil engineering students, who used bamboo instead of steel. The classroom walls have been painted by Spectra, the IIT-

Kgp Arts Society. "We even did the land survey ourselves," said physics student Dhammapa Avhad. "The school is our baby. We even arrange for transport (jeeps) to fetch the children, gushed Harshita Chaudhar, one of the 25 IITians who form the school review committee. The 19-year-old from Bihar's S mastipur said: "All my life, have been a bookworm striving to crack IIT. Now I want some these children to grow up a crack IIT."

The school caters to all the needs — food, uniform, book stationary, school bags — though the "educate a child" scheme where donors fund a child's education. Several IIT professors and alumni have. "We follow CBSC syllabus and intend to apply for affiliation so that the school can be elevated to PL level," said Arbind Kumar, review committee member

बुद्धिमान लोगों को हमेशा भौतिकवादी होने की जरूरत नहीं

पहली कहानी : नवी मुंबई की अलीबाई पारदी को कई लोगों ने चेताया कि वे अपनी जमीन एसआईईएस कॉलेज के बच्चों के लिए न दें। क्योंकि हो सकता है, ये लोग जमीन का दुरुपयोग करने लगें। लेकिन अलीबाई ने इस चेतावनी को नजरंदाज कर दिया। करजत से करीब 18 किलोमीटर की दूरी पर कवाटेवाड़ी गांव में उनकी जमीन है। गांव की आबादी भी ज्यादा नहीं है। यही कोई 550 मकान हैं। और ज्यादातर लोग डोंगर-कोली आदिवासी समुदाय के। आदिवासियों की जमीन की खरीद-फरोख्त सहज नहीं होती। लेकिन कॉलेज के लोगों ने अलीबाई को यकीन दिलाया कि वे जमीन का दुरुपयोग नहीं करेंगे। अलीबाई भी अपने गांव में विकास चाहती थीं। इसलिए उन्होंने अपनी जमीन देने में कोई झिझक नहीं दिखाई। यह 2013 की बात है। तब से वहां एसआईईएस कॉलेज के बच्चों और शिक्षकों ने गांव वालों की बेहतरी के लिए काम करना शुरू कर दिया। आज हालत ये है कि गांव में 2,000 वर्गफीट का कम्युनिटी हॉल है। ईंटों से बने 32 मकान हैं। तीन टॉयलेट ब्लॉक्स हैं। इनमें 17 टॉयलेट हैं। छह बोरवैल हैं। गांव का कचरा और गोबर वगैरह डम्प करने के लिए कम्पोस्ट पिट है। वहां से जैविक खाद बनती है। पहले एक टूटा-फूटा स्कूल था, जिसकी हालत अब काफी बेहतर की जा चुकी है। यानी पूरा कायाकल्प। कॉलेज के बायोकेमिस्ट्री के स्टूडेंट्स ने यहां ऐसी खाद बनाना शुरू की जो जमीन के लिए मुफीद हो। बॉटनी के स्टूडेंट्स ने ऐसे पौधे लगाए जो पानी कम लेते हों। लेकिन ज्यादा फायदा देते हों। केमिस्ट्री और माइक्रोबायोलॉजी के स्टूडेंट्स ने वाटर ट्रीटमेंट प्लांट लगाया। साथ ही गांव वालों को सिखाया कि कुआं का पानी कैसे साफ रखा जा सकता है। कॉलेज के एनसीसी कैडेट्स ने गांव में नालियां बनाईं। स्कूल के बच्चों ने भी हाथ बंटाया। उन्होंने गांव वालों को बेसिक अंग्रेजी पढ़ना-लिखना सिखाया। अब ये बच्चे मिलकर गांव में रेनवाटर हार्वेस्टिंग पर काम कर रहे हैं। अगले साल तक यह तैयार हो जाएगा।

पारदी ने जो सपना देखा था। जिस यकीन से उन्होंने जमीन दान की थी। वह यकीन, वह सपना, साकार हो रहा है। उनका गांव आत्मनिर्भरता और तरक्की की तरफ कदम बढ़ा चुका है। दूसरी कहानी : पश्चिम बंगाल के पश्चिमी मिदनापुर जिले में एक जगह है, तांगासोल। आईआईटी खड़गपुर से यही कोई पांच किलोमीटर की दूरी पर। इस गांव में यूकेलिप्टस के पेड़ों से घिरी खूबसूरत सी जगह पर एक स्कूल है। पक्षियों के साथ यहां बच्चों की चहचहाहट भी बदस्तूर गुंजती रहती है। पहली नजर में यह स्कूल सामान्य सा लगता है। लेकिन वास्तव में यह सामान्य है नहीं। क्योंकि इसे किसी सरकार या कंपनी ने नहीं खोला है। बल्कि आईआईटी खड़गपुर के बच्चे इसे चला रहे हैं। यानी यह कोई कॉरपोरेट सोशल रिस्पॉन्सिबिलिटी न होकर बड़े बच्चों की छोटे बच्चों के लिए इमोशनल रिस्पॉन्सिबिलिटी है।

आईआईटी खड़गपुर के बच्चों ने 2008 में जागृति विद्या मंदिर शुरू किया था। सच कहें तो इस स्कूल तक पहुंचना आज भी खासा मुश्किल है। पर आईआईटी के स्टूडेंट रोज साइकिल से यहां तक आते हैं। और स्कूल में आने वाले करीब 1857 गरीब और बेसहारा बच्चों को पढ़ाते हैं। इंग्लिश मीडियम में। स्कूल की कक्षाओं की दीवारों पर शानदार पेंटिंग नजर आती है। और वह भी आईआईटी के बच्चों ने ही की है। वे छोटे बच्चों को भी पेंटिंग करना और रंगों से खेलना सिखाते हैं। लेकिन दीवारों पर नहीं बल्कि अपने लैपटॉप पर। पेंटब्रश के जरिए। बच्चे भी दीवानों की तरह घंटों उनके कंप्यूटरों से खेलते रहते हैं। आईआईटी के स्टूडेंट्स ने योगदान के नाम से एक फंड कलेक्शन ड्राइव चलाई थी। इसके जरिए जो पैसा मिला उससे इस स्कूल की स्थायी बिल्डिंग बनकर तैयार हो चुकी है। चार क्लासरूम हैं। दो एकड़ जमीन पर स्कूल कैम्पस है। गार्ड रूम अलग से है। इस कवायद में आईआईटी के बच्चों की मदद तयार। चेरिटेबल फाउंडेशन भी कर रहा है। और आईआईटी की ओर से इस अभियान को लीड कर रही हैं, हर्षिता चौधरी। सिर्फ 19 साल की हैं। लेकिन इरादे बड़े। समस्तीपुर, बिहार की रहने वाली हैं। उनके साथ 25 आईआईटीयन्स हैं। इन सबकी इच्छा है कि उनके स्कूल के बच्चे एक दिन आईआईटी ज्वाइन करें।

साइकिल संग्रह करने में जुटा जीवाइडब्ल्यूएस

जागरण संवाददाता, खड़गपुर : पश्चिम मेदिनीपुर जिला अंतर्गत खड़गपुर की गोपाली यूथ वेलफेयर सोसाइटी (जीवाइडब्ल्यूएस) से जुड़े आइआइटी खड़गपुर विद्यार्थियों द्वारा इन दिनों जरूरतमंद एवं गरीब ग्रामीणों के बीच साइकिल वितरण किया जा रहा है। इस लक्ष्य को पूरा करने के लिए जीवाइडब्ल्यूएस से जुड़े आइआइटी विद्यार्थी उन विद्यार्थियों से पुरानी साइकिलें संग्रह करते हैं, जो अपना पाठ्यक्रम समाप्त कर संस्थान छोड़ने वाले होते हैं। आइआइटी छात्र और जीवाइडब्ल्यूएस के को-ऑर्डिनेटर व प्रिंटर जैन, करण नंदनकर व मीडिया टीम के सदस्य गोविंद गुप्ता ने बताया कि संगठन द्वारा गोपाली के जरूरतमंद

एवं गरीब ग्रामीणों को साइकिल प्रदान करने के उद्देश्य से कुछ वर्षों से इस महती अभियान की शुरुआत की गई है। इसके तहत संस्थान के उन विद्यार्थियों से उनकी पुरानी साइकिलें संग्रह की जाती हैं, जो पढ़ाई पूरी कर संस्थान छोड़ रहे होते हैं। वे अपने साथ साइकिल तो नहीं ले जाते हैं। लिहाजा हम उनसे साइकिल संग्रह करते हैं। इस प्रक्रिया के तहत दानदाताओं से उनकी स्वीकृत के तौर पर कागजातों पर हस्ताक्षर भी लिया जाता है। जरूरत के मुताबिक साइकिलों को मरम्मत कराने के बाद उन्हें जरूरतमंदों में बांट दिया जाता है। यह अभियान साल भर चलता रहता है। उन्होंने बताया कि इस साल अब तक 9 साइकिलों को जरूरतमंदों के बीच वितरित किया गया है।

Shaifali Goyal, first year undergraduate student at Indian Institute Of Technology, Kharagpur had written a message on her behalf of an NGO called Gopali Youth Welfare Society [GYWS] which is completely run by students of IIT Kharagpur. As it is with most of Bengali villages, condition of villages near the campus is really very bad in terms of employment, education, health and many other factors. That is why GYWS was formed in 2002. With their prime focus on education, the students are managing an English medium school in nearby village with beneficiaries of around 200 village children who are getting free education also they are provided with school uniform, notebooks and rest required materials. Just to clarify they don't go and teach them but they manage school including teacher's salary, staff salary, funding for the students uniform, notebooks and everything. They collect funds from industries to help this school grow. This is like a social initiative of the students with motivation of returning back something to the society around. Who are seeing this note can anytime mail at (sg.iit2015@gmail.com) or phone +91-9800644111 Please have a look at her organization. fb.com/gyws.iitkgp. Really a great thought .

5. e-Samadhan

Please share and motivate

This is great initiative by students of IIT KGP.

Every IIT students those who are involved in such activities please share them with us.

Gopali Youth Welfare Society

Achievements

GYWS has many achievements in field of social work and education over the years, largely due to its youth team and support from local masses.

Following are few of the achievements:

1. GYWS has been empaneled in **National CSR Hub** by Tata Institute of Social Sciences.
2. We have started construction of **permanent campus** of our school Jagriti Vidya Mandir and we have finished construction of 4 units.
3. The school has started to run in single shift after construction of 4th unit.
4. Jagriti Vidya Mandir continues to grow and prosper, with **around 250 students** studying at the school from Nursery to Class 5.
5. GYWS has successfully **rescued 12 child laborers** till now, who are all currently enrolled in local government schools.
6. Mass awareness programs such as **village survey, health camp and e-Samadhan** have successfully been carried on.
7. The activities of GYWS are recognized **appreciated by the entire academic community of IIT Kharagpur**. Praise for GYWS has come from all quarters, including alumni, professors and students.
8. GYWS and its activities have been showcased on a number of platforms. The society had a stall at the **Pan-IIT Alumni Meet** in December 2012, at the arena of **Spring Fest**, the annual social and cultural meet of IIT Kharagpur, in January 2020 and at the **Annual Alumni Meet 2019-20**.
9. Most important achievement of GYWS has been **harnessing the potential of IITians** (cream of Indian Education system) and utilize it in constructive work at grass root level. It raised level of confidence and self-worth among students and is sure to take them ahead in lives.
10. GYWS has successfully increased its reach over the web in the recent years. Currently having **18,981 likes**, on the Facebook page which is now verified. We are also on **Instagram, Twitter, LinkedIn, Medium** and **Youtube**.
11. **GuideStar India**, one of India's largest and most reliable NGO information repository has recognized us and our information is available on it.
12. On an international level, GYWS can now avail supports from **Techsoup**, a nonprofit international network of NGOs that provide technical support and technological tools to non-profits.
13. [Amazon India](#) has recognized our efforts towards good and we are now empaneled under CSR policy through their **Gift a Smile** program. The link to our wish list has already been put

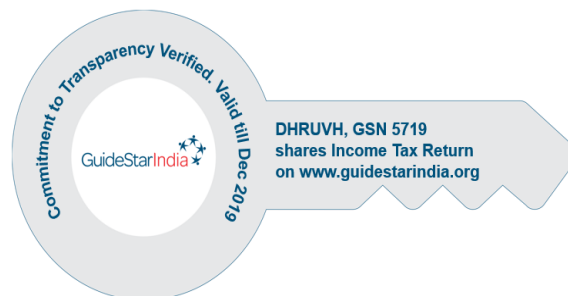

up on the website and can now be used by Amazon users to make donations to us, the link to which is <http://tinyurl.com/gyws-amazon>.

Gratitude to donors and associates

The premise of Annual Report will always seem inadequate to name the endless list of our donors, sponsors and well-wishers from various sections of the society. Our heartfelt gratitude to all those who have shouldered the responsibility with us. Our endeavour has been constantly supported by IIT Kharagpur students and alumni. In this respect we receive monetary as well as advisory help from them. We expect such continued support and encouragement in the years to come so that we can work in unison towards living our dreams. We are grateful to **Tiara Foundation, Tata Institute of Social Sciences, Nehru Yuva Kendra Sangathan** and **3(B) Tech Air Sqn NCC** for partnering with us in our endeavours. Their support and association are our asset. We aspire for this bonding to grow and prosper in future.

You Can Help Too

We shall be glad to acknowledge any kind of support for our movement and also for various projects.

GYWS like any other non-profit organisation needs financial support from kind sponsors in order to run and extend its several services and activities.

Following are the ways in which you can support us and thus the Nation.

Make A Contribution

Regular contributions and one-time donations are welcomed. There are mainly four spheres of donation, donation under **Jagriti Vidya Mandir, PRAYAS, LiGHT** and **Udyat**.

- Bear the expenses of a primary or a pre-primary student for one academic session studying in Jagriti Vidya Mandir under **Educate a Child (EaCh)** Program. Donate to support teacher's salary and transportation expenses by donating under **JVMCare** Program. Click [here](#) to donate for JVM.

- Support the teachers through our Udyat initiative, which focuses on training and improving the standard of teaching in JVM. Click [here](#) to donate for Udyat.
- Help us provide vocational training in tailoring/computer coaching to women through PRAYAS initiative. Click [here](#) to donate for PRAYAS.
- If you want to help our volunteers eradicate their social problems in their region then go on and donate under LiGHT initiative. Click [here](#) to donate for LiGHT.

Sponsor

Anyone willing to sponsor uniform, books, and other class utilities can do so by funding the corresponding expenditure.

Spread the Word

Let other people know about our NGO. Inspire them to take part in this mission.

GOPALI YOUTH WELFARE SOCIETY

A Social Initiative of students of IIT Kharagpur

The most beautiful thing in the world
is to see children smile. Next is to
know that you are the reason for that
smile
