JVM's Sports Extravaganza

JVM's Sports Day was a blast! There were a plethora of Sports activities organised and our student's energy levels took the event to a whole new level. The competitions ranged from Running race to Balloon race, Three legged race to the challenging lemon balancing race. Students enjoyed every activity to the core and the spirit of teamwork and sportsmanship amongst them sparkled throughout.

After the fierce competition in all the sports was over, Medal distributions to the winners were done, making it a memorable event. Students got a good break full of enthusiasm and cheering from their regular academics.

Confidence comes not from always being right but from not fearing to be wrong.

Our Goal

Facilitating the transportation of students from their homes to Jagriti Vidya Mandir

Our Journey

- 2002: GYWS was established in 2002 and its mission is to improve the living standards of the poor in the region.
- 2005: GYWS established an education program 'Jagriti Vidya Mandir' to help the poor and underprivileged children.
- 2007: GYWS started its first 'Yogdaan' drive to collect funds for the transportation of students.
- 2010: GYWS started its first 'Yogdaan' drive to collect funds for the transportation of students.
- 2012: A series of one-time and recurring donations were received from the community.
- 2015: GYWS started its first 'Yogdaan' drive to collect funds for the transportation of students.
- 2017: GYWS started its first 'Yogdaan' drive to collect funds for the transportation of students.
- 2019: GYWS started its first 'Yogdaan' drive to collect funds for the transportation of students.
- 2022: GYWS started its first 'Yogdaan' drive to collect funds for the transportation of students.

Dedicatedly contributing to the improvement of lives since 2002

INITIATIVES & ACHIEVEMENTS

- Our school Jagriti Vidya Mandir**
Brightening the future of 250+ students
- Plantation drive** conducted under global warming initiative of **Prayas**
- Teacher's salary** was improved. A step towards empowering teachers
- A hostel** with more than **60+ students** Their home away from home
- LIGHT**
Established 16 LIGHT centers in 11 states, spreading happiness throughout the country
- AASHAYEEN**
Our Annual school event, providing Social and Cultural exposure to students

YOGDAAN

An Annual Donation Drive

"Fueling education by ensuring every child's journey to school"

gyws.iitkgp www.gyws.org

Yogdaan, The Annual donation drive of GYWS was conducted from 11th to 19th January, and the efforts put in by each and every member made it a massive success. The event involved crowd fundraising from the students from different halls in IIT Kharagpur, the eager participation and enthusiasm of the team members broke the record collection of the previous years

The theme for this year's Yogdaan was fulfilling the cost of transportation charges, and the funds collected would for sure sponsor the transportation of a great number of students for months to come. The zeal of working towards this common goal and creating a change for the better is what has fueled us to make the required efforts, and Yogdaan's success is a good bar we've set up for this.

Let's Continue making a difference Together!

Dev-A-Web Triumph

Announcing the triumph of "**Dev-A-Web**", a web development journey hosted by Gopali Youth Welfare Society and sponsored by AlgoZenith.

The phenomenal response saw over 1600 students immersed in the world of web development, with the top 5 performers being rewarded with special goodies and all participants receiving Certificates of Completion.

This coding extravaganza showcased the fusion of creativity and technology. AlgoZenith's sponsorship ensured a successful and engaging event that left an indelible mark on the participants, fostering a passion for web development

Daksha : AI/ML Workshop

Delighted to share the success of "**Daksha**", a transformative AI/ML workshop by the RISE Team of GYWS.

Designed for grades 8-12, this 3-day online journey demystified the wonders of Artificial Intelligence and Machine Learning, offering a unique opportunity to code intelligent algorithms and explore the limitless tech landscape.

From December 26-28, participants delved into the boundless realms of tech, turning algorithms into an art. Daksha's success lies in its ability to spark curiosity, unravel complexities, and empower students in the ever-evolving world of AI/ML.

Feeding India : Nourishing Minds!

Heartfelt Thanks to Feeding India!

Expressing our deepest thanks to Zomato's Feeding India for their impactful collaboration, providing 4 daily meals for 65 students and 10 staff at GYWS, IIT Kharagpur throughout October. The generosity translated into over 9,000 nutritious meals, fueling minds and instilling hope within our school community.

As we embark on this partnership, we look forward to months of continued support, addressing immediate food security needs and fostering optimism. This collaboration with Feeding India is more than meals; it's a testament to creating a brighter future for our school family.

“Every plate shared is a symbol of hope, nourishing both the body and the soul.”
