“Education is the most powerful weapon which you can use to change the world.”

-Nelson Mandela

A Foreword

It is unfortunate that some people struggle hard to acquire even basic amenities while others over-enjoy these necessities. We believe that most of the times it’s the ignorance of their capabilities that restricts their social and personal advancement.

We urge people to a better stance by providing them education, employment, insight to think high and improve standard of living by self-efforts rather than directly providing them money. With our initiatives like Jagriti Vidya Mandir, e-Samadhan, PRAYAS we focus not on helping people financially, but we are determined to provide them employment, education, insight to think high and improve standard of living by self-efforts.

Here is a summary of the activities that GYWS carried out in 2017-2018.

GYWS is thankful to all the kind donors for their generous support to our organisation and students who served GYWS with unparalleled dedication and helped us to make our efforts fruitful.
Words That Matter

From the Desk of Patron

The society is fortunate to have some young Samaritans who have always committed themselves for the humanitarian cause of uplifting the condition of the poor and enlightening the future generation, let all of us join our hands together to make this endeavor, envisaged to help the needy aspire for a better future, become a success.

Prof. Madhusudan Chakraborty
(Former Director, IIT Bhubaneshwar)

From the Desk of President

Gopali Youth Welfare Society (GYWS) was established with the objectives of making people aware of problems faced by the modern society. It also aims at helping people’s social, economic and cultural development and encouraging them to find out solutions to their problems on the basis of locally available resources.

Mr. Mrinal Kanti Bhanja
(Founder, Gopali Youth Welfare Society)
From the Desk of Ex-President

“Since its establishment in 2002, Gopali Youth Welfare Society has successfully launched and carried out several training and development activities in and around the Gopali. In the past we have established rural libraries providing vocational training to the people from underprivileged section of society beside carrying out several awareness generation programmes. We will strive to continue with this program while expanding out base. We have been helped in the endeavours by our advisory members and the local population. We express our gratitude to them and our well wishes.”

Ms. Suparna Mondal

From Eminent Personality-1

“Having attended some GYWS events, the determination of the students to make a change amazes me. This is worth applause that they have taken the initiative to work for the underprivileged. I feel privileged to have such students in the campus who seek to give back to the society. Hope to see GYWS as well as other students come forward with more such initiatives.”

Prof. Partha Pratim Chakrabarti
Director, IIT Kharagpur
“I was happy to see the diverse activities being taken up by the Gopali Youth Welfare Society. The social commitment being continuously shown by the students and faculty of IIT Kharagpur to share knowledge and time with the inhabitants of Gopali and its surroundings is laudable. I was also impressed with the details of expenditure for the last few years which they have displayed on the website. I wish them all the best and send my good wishes.”

Mr. Sailesh Gandhi (IIT Bombay, ’63 batch)
Former Chief Information Commissioner, Government of India.

“I would like to recognize GYWS at IIT Kharagpur at which I found out about when I visited PAN IIT GLOBAL CONFERENCE 2012 and what I said was about, you have got to establish a cause you would like to give back to and I’m extremely happy this organisation exists within IIT Kgp campus.”

Mr. Roy Da Silva (IIT Kharagpur, ’74 batch)
Former President, IIT foundation
The future of our country is said to lay in the hands of the children. It is inspiring to see the members of Gopali Youth Welfare Society so determined in their goal of helping the children in Gopali village have a bright future by providing over 200 students with free education in their school Jagriti Vidya Mandir. Not restricting their attentions to only the young, Gopali Youth Welfare Society has also taken up numerous ventures such as e-Samadhan, and KGP Blood Connect in an attempt to spread social awareness to all. I whole heartedly wish them all the best and hope to see many more successful social initiatives.

Prof. Damodar Maity
Professor, Department of Civil Engineering, IIT Kharagpur

Gopali Youth Welfare Society firmly establishes a hope for better future where people and especially students inculcate a sense of social responsibility. It is very impressive endeavor made by the students of IIT Kharagpur by providing free of cost education to underprivileged children. While these students of Jagriti Vidya Mandir are the future of our country, these members of GYWS are venturing in laying out a path for the future of these students.

Prof. Adrijit Goswami
Professor, Department of Mathematics, Chariman, JEE, IIT Kharagpur

Gopali Youth Welfare Society is doing a great job of providing free education to the under privileged students. Their venture is not only limited to the child education. They are trying to spread social awareness and education among the village women as well. It has involved IIT Kharagpur students for these novel social causes. Being a part of IIT Kharagpur, I feel proud of these students who are putting lots of effort in spite of their busy academic schedule. I wish all the best to the whole group and hope to see many successful students coming out of their school.

Prof. Sasmita Mohakud
Inspire Faculty, Department of Physics, IIT Kharagpur
When I first met the group of Gopali Youth Welfare Society, I was amazed to see their enthusiasm in taking part in various social initiatives, especially in spreading free education among village children. I see two benefits of this system. It raises the educational standard of one locality. But the major social impact comes from the involvement of the bright students of IIT Kharagpur in this social venture. These students from various parts of India are getting first-hand experience in such social activities and they are potentially able to spread the awareness and activities nationwide. I hope, many more people will be inspired by their enthusiasm.

Dr. Sudipta Datta
Assistant Professor, Department of Physics,
IISER Tirupati

In a world where most people are struggling to find time even for themselves, these students of GYWS have put precious time and effort into making Jagriti Vidya Mandir an unimaginable success! It is refreshing to see such high spirits and concern for the betterment of the society amongst today's youth. I wish them success in all their future endeavours.

Prof. Sudipto Chakraborty
Professor, Chemical Engineering,
IIT Kharagpur

The annual report is an important document for the members to look back and assess the journey. GYWS has faced several hurdles and overcome all the odds and has flourished into a successful organization aimed at bringing social awareness and helping to improve social conditions wherever possible. Jagriti Vidya Mandir, an English medium school that provides over 200 children with free education, is an incredible achievement for students who have to manage their time between academics and social work. GYWS should move forward with its journey and continue to inspire and educate others.

Prof. D.K. Maiti
Professor, Aerospace Engineering, IIT Kharagpur
Running a school is no small task. It is only possible due to the hard work and determination showed by the members of GYWS in striving to maintain Jagriti Vidya Mandir. The students of IIT KGP should feel proud of all of their success in providing each child the privilege of good education. GYWS has also shown incredible creativity and motivation in their attempt to rectify as many social problems as possible through various schemes such as Paperkraft and e-Samadhan.

Prof. Amit Patra  
Professor, Electrical Engineering, IIT Kharagpur

GYWS initiatives this year have been very commendable. I would specifically laud the pilots carried out on horticulture. Initial efforts for formation of local FPOs are also in the right direction. For any sustainable initiative, such FPO’s would be conducive in providing the essential support structure and team work. Coordinated effort in needed on different fronts like: Developing agronomy based guidelines and expert advisory network for farmers for high value horticulture crops and Use of technology for crop management, education, information and consultancy for farmers needs to be identified and deployed for higher effectiveness and thus an overall support to farmers. I would wish great success to the GYWS team in their future endeavors.

Prof. Mrigank Sharad  
Professor, Electronics and Electrical Engineering, IIT Kharagpur

Equal education to every child is highly essential in dreaming a developed nation in all fronts. The Gopali Youth Welfare Society (GYWS) with involvement of our students not only provides an excellent learning environment for the needy children, but also inculcate the spirit of unity, service to nation, kindness, humanity, etc among the talented youth and this is the need of today to see our country developed and glorified in the world. I appreciate the activities of our students through GYWS and wish every success in their endeavor.

Prof. Dilliip Swain  
Professor, Agriculture and Food Engineering, IIT Kharagpur
“Atmana Mokhsartha Jagat Hitayacha”... The words from Swami Vivekanda inspires us in every initiative and action. We are tirelessly fostering the message that— we cannot reach to our goals without caring others. Today it seems very unknown and forgotten statement in the society full of hatreds and individualism. We have taken up this challenge to ensure equity and equality to the future society. We are also engaging us in defining and determining tomorrow with technology advancement and appropriation. We dream to live in a society building a sustainable earth with equitable opportunities.

I am happy to be associated with GYWS.

Dr. Bhaskar Bhowmick
Professor, Rajendra Mishra School of Engineering Entrepreneurship,
IIT Kharagpur

I personally believe is that we all are working (either employed or self-employed) for ourselves and ourselves alone. But when we move out of this sphere of narrow selfish thinking and try to earn goodwill plus blessings instead of a mere salary or wealth, we become more than what we are actually capable of. We move into the outer ring of service to society or Community Building - of those who don't have what we have. Whenever, we reach out to the downtrodden, or deprived (in whatever sense) or the illiterate, or anyone in any sense lesser than us, we not only enable them, we, in fact, live move from being mere human beings to becoming Divine Human Beings. For in the service of the others lies the Service or Devotion to the Divine.

Since 2002, Gopali Youth Welfare Society (GYWS) has been a noble initiative of the students of IIT Kharagpur to give back to society what they have already earned. Being students of the oldest IIT, Volunteers from IIT Kharagpur (at UG, PG, PhD levels) have proved the old truth time and time again in whichever welfare program they have undertaken since 2002 - whether it be EacH, Prayas or the Agricultural project now blossoming at their Prime spot - the Jagriti Vidya Mandir, Salua. I wish the Selfless Volunteers of the GYWS, the very best in all their noble ventures and am confident that in one way or the other, they will always remain Blessed for each and every action which brings them closer to the lowest rungs of society.

Prof. Seema Singh
Professor, Department of Humanities and Social Science, IIT Kharagpur
“The fact that a group of students of IIT Kharagpur run a fully-fledged NGO leaves me filled with immense pride. As an advisory committee member of GYWS and having closely observed all their activities, I can personally speak of the hard work they put in and the level of commitment they show. They are breaking the trends which see IITians aiming at bagging high salary jobs as soon as they enter the campus. These people are contributing back to the society and their contribution is making a difference.”

Prof. N R Mandal
Ex-Professor, Ocean Engineering and Naval Architecture,
Ex-Dean SA, IIT Kharagpur

Society is purely the extension of ourselves. Though we stepped in 21st century there are still several bleak aspects remain in our society especially in the developing countries like India. Illiteracy, poverty, lack of health consciousness, lack of social consciousness, lack of worldly knowledge are major among them. We, the so-called well to do class of these countries should feel for the down trodden. It’s our moral duty to uplift the suppressed from the bleakness they are living in.

Out of these sacred some of the educated youth grouped together to do something in the field and GOPALI YOUTH WELFARE SOCIETY came into being.

We have strong faith in ourselves and we have the determination that our assembled force will lead us all through the path of the purest desire, we want to do. In our way forward, we need the extended hands of everyone who belong to our society along with the assembled force us, we not only enable them, we, in fact, live move from being mere human beings to becoming Divine Human Beings. For in the service of the others lies the Service or Devotion to the Divine.

Prof. H R Tiwari
Ex-Professor, Department of Humanities and Social Science, IIT Kharagpur
About Us

Gopali Youth Welfare Society is a registered non-governmental organisation established in the year 2002 with the idea of giving back to the society. Registered under the West Bengal Societies Registration Act of 1961 in 2004, this NGO operates mainly in villages around Gopali near Kharagpur. The organisation has undertaken various activities in backward areas of Kolkata.

With the twin objectives of making the youth and society aware and of ensuring socio-economic welfare for underprivileged and weaker sections of the society, various projects are being successfully run by the society and have proven to be milestones in bringing the change. The society is trying to help women, children and aged people through basic sustainable guidance and management infrastructures. Projects like e-Samadhan, Child Rights protection and rehabilitation and PRAYAS are playing an important role in improving socio-economic grounds. KGP BloodConnect and Aarogya have marked active presence of the organisation in grounds of medical awareness. Initiatives like PRAYAS and Social Cell are playing important role in motivating the youth and providing them the opportunity to work for the society. The major initiative of the society is Jagriti Vidya Mandir (JVM), an English medium school providing free of cost education to children from weak financial backgrounds.

The society seeks to fulfil its objectives with the help of its executive body which is composed mainly of students of IIT Kharagpur who are dedicated to the service of needy and deprived under the guidance of professors of IIT Kharagpur. The professors have constantly motivated and encouraged us to achieve our goal. The local members are the pillars of strength of our society. The local support which the society enjoys has seen it prosper and spread its branches and the organisation is now planning to expand its reach by setting up its new chapter in various other cities.

Vision

Gopali Youth Welfare Society comes forward to people to help them fulfil their dream of living an independent and prosperous life. We strongly believe that India’s progress depends in the progress of its weakest links.

We work hard to bring together all the underprivileged sections of society and enable them to establish a sustainable society where everyone will have the potential to dream big as well as have the chances of fulfilling their dreams.
Mission

To improve the standard of living of the people of villages like Gopali by utilizing locally available resources. We also want to make people aware of their problems and try to find the solutions to those problems.

Objectives

The society is a non-profit seeking organisation and shall:

1. Work for the overall welfare and all-round development of vulnerable sections of the society and promote sustainable development.
2. Provide education to all children by setting educational institutions and library.
3. Work for the rural upliftment by improving health related facilities, water supply, irrigation, agriculture, and cottage and village industries.
4. Facilitate the people to get the available assistance from the different departments of govt. and other welfare societies.
5. Help and assist the meritorious but needy students of all communities for continuing their studies and to assist the dropout school children by bringing them back to schooling.
6. Organize health check-up programs for rural community in collaboration with other NGO’s and health centers and cooperating in the activities of controlling pulse polio, AIDS and other diseases.
7. Help and assist the aged widows, sick, helpless, and indigent persons to through health care service and other rehabilitation programs.
8. Empower the community through formation and nurturing of self-dependent groups in the communities and capacity development through vocational training.
9. Publish annual report of the society, brochures and maintain research programs in rural areas on social development issues.

Journey So Far

Since very young age, Mr. Mrinal Kanti Bhanja, founder of Gopali Youth Welfare Society was remarkably enthusiastic to serve the society. It was his vision that has shaped Gopali Youth Welfare Society in the form we see today.

Gopali Youth Welfare Society was founded in 2002 and got registered under the West Bengal Societies Registration Act, 1961 in the year 2004. What started as a vision with a few enthusiastic students willing to bring a change has now flourished into a well-recognized organisation today which has changed the way of life of many.

Throughout its journey, GYWS has received support from the professors of IIT Kharagpur, including Prof. Damodar Maity, Prof. Adrijit Goswami, Prof. Sasmita Mahakud, Dr. Sudipta Dutta, Prof. Sudipto Chakrabarty, Prof. D. K. Maiti and Prof. Amit Patra who guided us throughout the journey as the advisory committee. New advisory committee members include Prof. Mrigank Sharad, Prof. Seema Singh, Prof. Dillip Swain and Dr Bhaskar Bhowmick. GYWS presently runs under the able guidance of Mr. Mrinal Kanti Bhanja as President.

GYWS has undertaken several initiatives such as KGP BloodConnect, tree plantation drive, e-Samadhan, Prayas, Helping Hands and Jagriti Vidya Mandir. In recognition of its activities, GYWS has received a lot of support from many sources such as various NGOs like Nehru Yuva Kendra, Red Cross, BAM India as well as 3 Bengal Tech Air Squadron NCC. We have also received constant support from students of IIT Kharagpur and the professors here as well as student run organisations within the institute.

The prime initiative of Gopali Youth Welfare Society is Jagriti Vidya Mandir, an English medium primary school situated in the village Tangasol providing free of cost education to around 230 children from financially poor background.

What started as a small venture held in a rented classroom at I.M. High School is now a successful primary school situated on its own 2 acres of land in Salua, consisting of 4 complete
units, comprising of 8 classrooms. All of this progress could not have been possible without the help of the IIT students, the professors of IIT Kharagpur in helping with the construction process and TIARA Foundation.

Though JVM remains this society’s major initiative, it has conducted many other undertakings and welfare schemes as well. Welfare schemes of GYWS cover a wide range of issues including free education, social awareness campaigns, vocational training, child labour issues, health camps and women empowerment.

The present scenario is quite incredible with a vast number of members, ranging over UG students, PG students, research scholars, alumni and support from professors, individual donors and various industries.

The organisation currently operates in Kharagpur and Kolkata and we hope it will expand to more cities in the future for the betterment of the society.

Under the initiative Light, the expansion program of GYWS, undergraduate members have aimed at forming a PAN India network of socially motivated students. LIGHT works on its 8 listed objectives-L8 which are Quality Education, Women Empowerment, Healthcare Awareness, Save Environment, Youth Upliftment, Social Awareness, Food for all, Collaboration to succeed through teams formed in various colleges across India, integrating all the ideas, experience and efforts of different minds across the nation under the lead of the centre at IIT Kharagpur and hence delivering optimum results due to participation of all.

Yaswanthchowdary Mallina
Senior Executive Member (2017-18),
Gopali Youth Welfare Society
The IIT Kharagpur Chapter is primarily managed by the IIT Kharagpur members under the guidance of some professors. This group is responsible for the undertaking of any projects initiated by Gopali Youth Welfare Society, maintaining relations with the IIT professors, spreading the word in and around the campus, fundraising and maintaining financial accounts.

The IIT Kharagpur chapter primarily works in and around the village Gopali, chiefly concerned with smooth operation and development of Jagriti Vidya Mandir, an English Medium school run by GYWS for providing free of cost education to underprivileged children. Many other initiatives are undertaken by the team such as KGP BloodConnect, e-Samadhan, medical camps and various awareness and training workshops.

Promotion of GYWS in various extension programs in colleges throughout India is done by these members. IIT Kharagpur chapter also maintains the website and releases GYWS Annual report and Audit report.
Marking illiteracy as its prime concern, GYWS embarked on an education program in April 2008: Jagriti Vidya Mandir, an English Medium primary school. Its main motto is “To educate each and every child for a better tomorrow”. GYWS is focused upon providing quality education aimed at educating the children, imbiving the true ideals of humanity in them and thus enlightening the future generation paving the way to a prosperous tomorrow built on a strong today.

Jagriti Vidya Mandir is an English Medium School which aims to provide quality education to underprivileged children absolutely free of cost. It is located in Tangosol village, 1.5 km from Salua Air Force Station which in turn is 5 km from IIT Kharagpur campus. The school is running in its full-fledged form from 15 April 2008. At present, class up to 5th standard are run. Eight full time faculties give their services as tutors. Besides it, IIT Kharagpur students take Laptop sessions on Saturdays for students. Our target group is BPL (Below Poverty Line) students and dropouts. We provide books, uniform free of cost to the BPL students and at a nominal fee for other students.
There are about 200 students enrolled in Jagriti Vidya Mandir from Nursery to Class 5. The school timings are 7 a.m. to 11 a.m. There are 8 teachers, with the teacher in charge being Mr. Ajoy Roi. The school also has 3 Aya and some helpers. After a student completes his class 5 from JVM, he is sent to Hijli High School. The educational expenses of the kids are covered by Gopali Youth Welfare Society.

Earlier the school used to run in rented campus of another school, Gopali I.M. High School from 7 a.m. to 10 a.m. Now, JVM aspires to be a residential full-fledged school for students of BPL families offering variety of courses at +2 level, vocational training and career guidance.
School Activities

Aashayein 2017, 9th Annual Day of JVM

**Date:** 02/04/2017  
**Venue:** Kalidas Auditorium, IIT Kharagpur

**Objective:** To celebrate the ninth annual day function of Jagriti Vidya Mandir inorder to engage students in various kinds of cultural activities and also honour the teachers and students. To give a chance to all the students to participate in various co-curricular activities and cultural events after completion of the session and at the beginning of a new session. To bring out the talent of the student and develop interest in extracurricular activities.

**Chief Guest:** Prof. Prasanta Kumar Das, Dean, Postgraduate Studies and Research, IIT Kharagpur  
**Guests of Honour:** Prof. Manish Bhattacharjee, HOD, Department of Chemistry, IIT Kharagpur

**Activities:** The program started in the evening at around 5 PM with the welcoming of our guests and parents of the JVM students. This was followed by an English Ryhme, sung by the children before the commencement of the cultural activities. Students of JVM put on a show consisting of many different types of dances, songs and skits. Many regional dances were performed as well. It was truly a memorable experience for all involved. Aashayein 2017 was concluded by the awarding of prizes to the more meritorious students of JVM. Mementos were also distributed to the teachers of JVM in honour of their services and to some of the most dedicated members of GYWS.

Saraswati Puja

Date: 22/01/2018
Venue: Jagriti Vidya Mandir

Objective: ‘Basant Panchmi’ marks the auspicious day in Hindu tradition when new students start the journey of their education while old students pay respect and obeisance unto Goddess Saraswati seeking her blessings. This day is celebrated considerably in West Bengal and we hope to teach the children importance of this day and seek the blessings of this Goddess along with our students.

Chief Guest: Mr. Mrinal Kanti Bhanja

Activities: This day was dedicated to worshipping Saraswati, the Goddess of knowledge and seeking her blessings to help have a fruitful academic year ahead. This puja was as much about devoting our time to Goddess Saraswati as much as it was about reminding our students about the importance of education and motivating them to pursue knowledge in any venue available. This program brought together the students, the teachers and our members in a festive and fun atmosphere. Everyone dressed their best and came bearing flowers as an offering to the Goddess. As per the Bengali tradition, a fire ceremony was performed and Prasad and sweets distributed.

GYWS Stall at the 15th Alumni Meet

**Date:** 13/01/2018

**Objective:** Publicity of GYWS among the alumni community of IIT Kharagpur. Also to increase visibility in IIT Kharagpur community as a whole.

**Activities:** Annual Alumni Meet is a yearly event conducted by Alumni Cell, IIT Kharagpur, in which many graduates of a particular batch of IIT Kharagpur come to our campus. It is one of the peak times to promote GYWS and spread our awareness. Gopali Youth Welfare Society received the opportunity to set up a stall in the arena of the 15th Annual Alumni Meet, 2018. The stall was set up with the main objective to promote our activities, primarily focusing on Jagriti Vidya Mandir. Every Alumni was given the impact report of the session 2016-17 showing impact of GYWS on different individuals, groups, organizations over the years. There were members stationed at our stall at all times with the responsibility of spreading GYWS’s message to as many people as possible and explaining any doubts the alumni may ask. The stall was decorated to make it look as inviting and appealing as possible. Most of the focus was put on our school JVM and the children there. A timeline was also included depicting our journey so far. We received a monetary value of ₹ 3,99,000 and total of 82 Alumni contacts. A group of alumni also visited our school led by our donor Mr. Abhijit Bannerjee.

Yogdaan

**Date:** 8/01/2018 - 18/01/2018

**Objective:** Yogdaan is a yearly donation drive which aims at collecting money for the further improvement in the education standards and development of Jagriti Vidya Mandir. This year the donation drive was aimed at using this money for electrification of the school.

**Activities:** Yogdaan is geared towards collecting money from the students of IIT Kharagpur. It serves the dual purpose of raising funds for the betterment of our school as well as providing a small way to give back to the society for the students. Yogdaan has been going on for the past few years with unbelievable results. This year the amount we collected was around Rs. 3.19 lakhs. The money we raised has been put to the most efficient use possible. Over the years we have crossed many a milestone from buying our first plot of land to constructing our school to now focusing on solving electricity problems of the Jagriti Vidya Mandir.

PRAYAS Activities (Kolkata Chapter)

Cultural Program

Date: 21/05/2017  
Venue: Kalikapur Slum, Kolkata

Objective: The youth of the urban slum are often deprived from cultural activity. An active participation in cultural activity inevitably provides the opportunity to explore the world in a new way. The objective of this program is to culturally uplift the youth in downtrodden regions and developing a healthy cultural ambience in local individuals by conducting workshops and weekly classes in singing, dancing, recitation and drama.

Chief Guests: Haran Naskar, General Secretary, Naba Tarun Sangha, Mintu Halder, Senior Member, Naba Tarun Sangha

Activities: The workshops were conducted in a weekly basis (once or twice, preferably in weekends) with the help of resource persons and volunteers of GYWS Kolkata Chapter. The cultural event on 21st May was arranged to provide a platform to showcase talents of participants nurtured during the workshops. The following performances took place:

Music performance with tabla, synthesizer, octopad, dramas, recitation, song and dance performance, video and still photography.

Teachers’ Training

The Post graduates and Research Scholars of GYWS along with some IIT Kharagpur students train teachers to converse in English and improve their ability to teach.

The teachers’ training is held adjacent to GYWS Office.

Sunday Coaching

The Coaching team of GYWS started with the aim to bridge the gap between school and self education. Some student are not able to grasp the topic properly during the class hours, thus they require special attention. Hence, along with the regular school, JVM students are also taught by the post graduates and research scholars of GYWS along with some IIT Kharagpur students on Sundays.

Innovate to Teach

The main objective of I2T team is to incorporate changes in the traditional method of teaching at school. The children are taught using models, puzzles, practical experiments and videos so that they can easily have a grip over the topic taught. This objective is now being carried forward by both I2T team and Teacher’s Training team.

Computer Coaching

The students of JVM are taught how to operate computers in this initiative. Coaching is held at GYWS Office. Students have learnt the basics of Computer through this. We plan to extend this initiative for students of other schools too.
**Activity Base Learning**

This Activity has been started with the objective of make learning a joyful process and bring gleams in the eyes of children. I2T Team and Teachers Training Team are involved with this activity. Every week, the members meet to make models through which concepts of Science can be illustrate in an interesting manner. Educationist Mr. Arvind Gupta is the motivation behind this idea. More information can be found at: https://scifungyws.github.io/ and GYWS website has also been updated to project the activity.

**Child Rights Protection**

**Date:** 28/10/2017, 04/11/2017 & 11/11/2017.  
**Venue:** Disha-Seema School, inside IIT Kharagpur campus.

**Objective of the event:** Child Sexual Abuse (CSA) is a universal and critical issue that need to be discussed with every child, their parents at home as well as with teachers at schools. There are certain topics that every child should be aware for their safety. Keeping this in mind the CRP team of GYWS conducted awareness cum workshop on the issue of CSA at Disha-Seema School located inside IIT campus.

**Activities of the event:** The CRP–GYWS team had organized three days workshop (one day per week) covering almost 60 students from class-I to class XII along with few college going students in Disha-Seema School. Sessions were conducted with boys and girls separately, so that children can talk more openly being with the company of their own gender. They were taught about “GOOD TOUCH–BAD TOUCH”, four danger parts of body, how to defend themselves from any unsafe situation saying “NO” and what they should do if any such incident happens. They were convinced that there is nothing immoral in talking about abuse and their parents will always understand and support them. The students
participated actively and energetically interacted with volunteers during the sessions. After the workshop, every student was provided with written questionnaire, through which they could express their understanding on this topic and their emotions or if any unfortunate experience as well.

Language Learning through Stories

Another initiative is towards upgradation of school library and *learning language* in natural way *through storytelling*. Placed the first order of books to Eklavya Publications. List of ordered Books can be found here. Fund Raising: The members have approached their personal friends working in industries and have raised fund of 11,510/- till the date to place the order of recommended list of books. Details of Donors can be found here.

KGP Blood Connect

KGP Blood Connect is a social initiative to help those truly in dire need of blood as efficiently as possible.  
The principle of this initiative is to create a database of all the willing donors in the vicinity, containing all pertinent details such as age, gender, blood group and any health issues. These donors were expected to give their contact details and be ready to come and donate blood at a short notice. Our hope was that through this method the people within as well as outside the campus would never be in a shortage of blood should they ever need it desperately.
JVM School Construction

Journey which started in the year 2008 is nearing a milestone. In 2008, GYWS took up the cause of educating underprivileged children in and around village Gopali. Despite the increasing no. of schools in the area, these kids didn’t have access to education because all the schools run in nearby areas have very high fee which poor families can hardly bear. So, GYWS decided to provide free primary education to these kids. Thus, Jagriti Vidya Mandir came into existence. With a humble beginning with 34 kids and a single rented room at I.M. High school, today JVM has over 200 students, classes up to 5 and 10 full time faculties.

With every year, Student strength increased and space available at I.M. high school was no longer sufficient. Also, JVM ran in the building of I.M. High school from 7:00 AM – 10:00 AM. Three hour duration is not sufficient to cover syllabus of higher classes. Also, students missed out having due focus on extracurricular activities due to constrained school hours.

To solve these issues, JVM’s own campus was planned in 2011. With the generous support of Tiara Foundation, New Delhi, GYWS was able to purchase 2 acre land in village Gopali in 2012.

Construction of building commenced in 2013 with donations from IIT Kharagpur students. Currently 4 units have already been completed (out of which 1 unit was commenced by Prof. Damodar Maity). All units were divided into two rooms. Also, all rooms have been electrified. Fans, Lights have been installed. Water tanks has been constructed. Trees have been cut. Now, since there are 8 classrooms, entire school is run in single shift.

Also, Prof. Damodar Maity of Civil Department, IIT Kharagpur constructed a small house under ‘low cost alternative rural housing project’ on JVM
land. This house is already under use by labours and GYWS night guards at the JVM construction site.

Last year 4th unit of JVM had also been painted (3 of these units were painted before start of this session). All the units of Jagriti Vidya Mandir had been painted with combined efforts of GYWS and Spectra. Members of both the societies beautifully sketched and then painted the entire front wall of the newly built unit after 10 hours of effort. Last year, fencing of the school campus was done along with construction of entrance gate.

This year painting of the fence and electrification work was undertaken. Under the electrification work, new lights and fans have been installed, existing have been repaired and a complete electricity supply has been set up.

---

**Upgradation of School Library**

Innovate to Teach & Teachers’ Training Teams and School Teachers are involved in enlisting story books which will attract children and results in their reading, listening and speaking skills. Further plan is to conduct storytelling sessions, basic drama performance in the classes and reading such story books.
Future Plans

We seek to take Jagriti Vidya Mandir to beyond its current primary level to complete school cum hostel catering to the needs of over 500 students. The facility will not only provide education up to 12th grade, but will also take responsibility of ensuring that its students settle in their professional or educational lives before they leave.

Visit the following link to read complete proposal of future plan: https://tinyurl.com/construction-of-jvm
LIGHT is an initiative of Gopali Youth welfare Society aimed at forming a PAN India network of socially motivated students. Inspired by the journey and success of the Gopali Youth Welfare Society, LIGHT aim at contributing towards the development of our nation by youth participation. LIGHT works on its 8 listed objectives-L8 through teams formed in various colleges across India, integrating all the ideas, experience and efforts of different minds across the nation under the lead of the centre at IIT Kharagpur and hence delivering optimum results due to participation of all.

Currently 6 groups of 6 different colleges are part of this initiative by the names of

- LIGHT - Samvedana
- LIGHT - Go green
- LIGHT - Bhopal
- LIGHT - Aashayein
- LIGHT - Gaya
- LIGHT - IIITDM

Major events conducted under LIGHT initiative

LIGHT Samvedana

Tuition In Orphanage: Members of LIGHT Samvedan visit orphanage Bhagwanbaba Balikashram, Aurangabad every weekend for 2 hours to teach students and clear their doubts.
In today’s world where almost everyone uses mass media to remain socialized and read newspapers to get to know what is actually happening around. Hence, it is vital that the website should be attractive, informative and user friendly i.e. easy to use for all. GYWS, being an NGO that runs entirely on donation from general masses gives utmost importance in maintaining full transparency and providing detailed records of all financial transactions so as to make general populace satisfied for there investment. Links of GYWS’s various social media pages (Twitter, Facebook, Google+, Instagram, LinkedIn) are there on website. Under Members tab one can find the complete details of the members of GYWS, other than that we also have About us tab which provides information about our organisation, our aim, few words from our founder. We do have several Initiatives and one can get to know about them through Initiative section. One can also get to know about the recent activities that are going on through website. GYWS annual report, Audit Report, different forms, Authentication certificates can be found under the documentation section of the website.

Our Bank Details, and other necessary information like the SI Form, General Donation Format etc. are available in e-format in website that will help for ventures such as Educate a child, Earn A smile etc. Under the media coverage section one can find the different media bodies that recognized and appreciated our work. Under Contact Section we also have a suggestion portal in which we would be happy to take on the suggestions and work over it.
As the IIT Kharagpur batch of 2018 is graduating, our eminent seniors in IIT Kharagpur and representatives of various student associations within the campus share their experience with GYWS. Our seniors have always been a source of inspiration and a motivational figure for us. It is due to their sincere hard work and exuberant leadership that society has excelled in the past years. We are thankful to all the students of IIT Kharagpur for their benevolent support and wish them all the luck in their future endeavors. Our best wishes to the passing out students.

"The poorest Indian who goes to buy a cake of soap pays for the education of an IITian." It is therefore only right and befitting that IIT Kharagpur gives back to the society in any way possible. Thus, it is great to see Gopali Youth Welfare Society do its bit to contribute positively by running the Jagriti Vidya Mandir and taking numerous initiatives aimed at holistic development of underprivileged children in and around the campus.

During my 4 years at Spring Fest, I have had numerous occasions to work alongside the Gopali Youth Welfare Society and it has always been an extremely rewarding experience getting to see those little kids genuinely happy and content. I wish GYWS the very best of luck in all of their future endeavors. May they be the reason more people get to smile more often!

Mr. Ayush Banerjee
PERCEPTION ABOUT US

"For me, I always feel sad that I could not be a part of a NGO in my KGP life. I had been in hall, Indi level POrs and also in societies. But I really miss joining a NGO like GYWS, where I believe that I could have gained more empathy and also a more caring/ serving attitude to the human kind. The activities of GYWS are actually cool like the annual day, the school etc. and they do have a lot of social impact. But what I feel for GYWS is they should work more on achieving a wider visibility, and also work towards mass sensitization of youth towards service towards underprivileged. For this they can take up the agenda of "Free Mid Day meal" at Gopali. Suppose there are 200 students in the school and it takes around 250 to feed a kid for a mid day meal, then to run free mid day meal in a 10 month academic year, it takes merely 250 /- contribution from each and every student of BT KGP (12.5/- per student) per year that is 48/- per sem. It just needs the people of GYWS to negotiate with Halls, HMC, and get it done. The second thing that comes to my mind is, there is a plenty of opportunity to get free stationary (books) for children from BT KGP. The way is, we all write mid's and end semester exams, and what is done to the copies after results are frozen? They go into scrap or something. So it would be great if people of GYWS come forward to separate out the empty sheets of scripts and get them bind in central library binding press for "free" and distribute it to the children.

By my above statements I am not demeaning their current work, but I would like to see these rock stars in greater heights tomorrow. So once again GYWS must shift their focus partially from more fund raising to a comprehensive sensitization strategy which will involve entire KGP community for the benefit of underprivileged children.

PERCEPTION ABOUT US

"The first thing which a fresher looks at on his first day at IIT Kharagpur is the iconic Main Building and the words "Dedicated to the service of the Nation". Here at IIT Kharagpur, we are not only motivated to give back to the society but also to actively help the underprivileged.

One of the best social welfare groups of Kharagpur that comes to my mind is Gopal Youth Welfare Society. A nation's progress depends on the progress of its weakest links and GYWS falls no short of trying to achieve their vision. GYWS team has worked out some really innovative programmes and events like 'Aashrayan' which brings out the unseen personality and the hidden skills of the underprivileged individuals. Their efforts towards education and rural upliftment are extraordinary. I myself have the first-hand experience of doing social work through my associations with Paridhi, CRY, and NSS. I personally know how hard it is to sustain a welfare group with limited financial help while keeping the team motivated. I feel proud, happy and astonished that GYWS team has some amazing individuals who are hell-bent on uplifting the society and helping the underprivileged.

Even today I feel proud when I wear GYWS tee-shirt which I had bought in my first-year through one of their charity events. I really appreciate GYWS mission of empowering the future of India through the transformative steps which will make a big difference in the lives of people. I wish GYWS keeps inspiring others through their work and I also encourage more and more people to join their valiant effort to bring the change in the society.

PERCEPTION ABOUT US

“...The true essence of humankind is to care more than just for ourselves. We learn, lean in and share. That’s how the society functions. Since my teenage days, I wanted to do something for the underprivileged, but I thought I would do that once I have enough resources and money to do that. After coming to KGP, knowing about Gopali Youth Welfare Society, I learnt how supporting the society can be done at any age and with minimum resources. I was surprised to see the number of efforts GYWS puts in to brighten the lives of the young kids. GYWS is one of the sweetest initiatives at KGP, embodying the true spirit of “dedicated to the service of the nation”. I heartily congratulate GYWS for doing an amazing job not only in educating the kids but also in inspiring the fellow KGPI-ans to contribute to the society.”

PERCEPTION ABOUT US

“I have been aware of the activities of GYWS since my first year as one of my friends is an active member of the society. I really appreciate the initiative of the students by forming a society like GYWS which is contributing to the society and helping the underprivileged children. It’s really commendable that students are putting such efforts even after having busy academic schedule. It’s amazing to see how our little efforts can bring happiness in their lives. I really hope they continue bringing joy and opportunities to the lives of these less-privileged children and increase its scope in the future.”

PERCEPTION ABOUT US

“IT KGP provides the student community with state of art infrastructure and facilities. When I think of our endeavors to provide back, GYWS comes to my mind. It is the sole student organization dedicated to delivering back to society in Kharagpur area. It was my privilege to get associated with it in my initial days in KGP. As a part of GYWS, NCC collaboration we planted a boundary of saplings for the school at Gopali. Over the period of my stay here, it was enthralling to see how GYWS has been effortlessly working towards enlightening young lives, whether it be painting the school or providing a platform for its students to showcase their talent. GYWS has been engaged in a noble cause and I believe its reward is the priceless smile on faces of these bundles of joy. Cheers to the team for acting on the fact that charity begins at home and I request to fellow students to contribute to it in all capability. Being true to our tagline - Dedicated to the service of the nation.”

PERCEPTION ABOUT US

“There is no better joy of giving back to society than to foster the underprivileged and penurious kids. GYWS is one organization on campus trying to achieve what every one of us desires to achieve on a bigger scale, ‘Giving Back to the Society’. We had the privilege of getting our rights to be educated but not everyone in our country shares that right and GYWS is trying their level best by extending that right with the limitations they have. If I had the chance of rejoining KGP I shall be honored to associate myself with GYWS.”

I am immensely proud and appreciative of the Gopali Youth Welfare Society (GYWS) which has historically strived hard to change this very scenario in IIT Kharagpur and has successfully intertwined the local communities of this region with the immensely talented populace of the campus for the mutual benefit of all. Being thoroughly conversant of their regular efforts, I have no doubt whatsoever that GYWS is indeed creating indelible marks of positivity and hope on the lives of hundreds, if not thousands, of humbly privileged people around the campus. Filled with admiration and adoration, I would love to see their continued endeavours in creating such impactful ripples of change in the future too!

As the Jagriti Vidyamandir (JVM) functions up to 5th Standard, the students are then sent to Hijli High School for their further education with society covering their educational expenses. Special tuition classes are provided to them by some of the JVM teachers. Here are the experience shared by those students about JVM.

I am studying in Hijli High School and previously studied in Jagriti Vidyamandir. Teachers are very good and friendly in JVM. I like to go to school everyday. I like studying English and Geography in school.

IITians run school to bridge social divide

Ajanta Chakraborty
@timesgroup.com

Kolkata: A short ride from the hallowed portals of IIT Kharagpur, nestled in a grove of eucalyptus trees, is a quaint little school, pulsating with energy and cheer. At first glance, it would seem like just another primary school in this tribal region of West Midnapore. What’s unique is that it is run by IIT students.

This is no corporate social responsibility activity—the IITians call it “emotional responsibility.”

Students of IIT Kharagpur started Jagriti Vidyamandir at Tansup, about 8 km from the institute, in 2008. Even today, reaching this English-medium school is an uphill task—literally. Our car hunches and groans up the unmotorable mauza road. Every day, IITians take turns to cycle up this same dirt track to pave the future of some 185 underprivileged kids.

The classrooms have been painted in vibrant themes by the IITians themselves, who lug along their laptops to give computer lessons—and sometimes let the kids go wild with Microsoft Paintbrush. Class is often held in the open air in the beautiful eucalyptus grove. “IIT-Kgp was founded in 1951, but it remained oblivious to the underdevelopment that surrounds the campus. Some of our seniors realized this and set up Jagriti Vidyamandir in 2008,” said Vibhu Kumar, a geology and geophysics student.

“Lifewithinthewalls of IIT is comfortable; the world outside is a stark contrast. It is this contrast that motivates us.”

Social worker's idea, P 4

Today, the school has moved to a permanent 2-acre campus. The four classrooms and a guard’s quarters have been funded by Yojana, a donation drive organised by IITians and the Tiara Charitable Foundation. The guard’s quarters is, in fact, a low-cost experiment by civil engineering students, who used bamboo instead of steel. The classroom walls have been painted by Spectra, the IIT-Kgp Arts Society. “We even did the land survey ourselves,” said physics student Dhananjay Aiyair. “The school is our baby. We even arrange for transport (jeeps) to fetch the children, housed Harshita Chaudhary, one of the 25 IITians who form the school review committee. The 19-year-old from Bihar’s Patna region said, “All my life I have been a bookworm striving to crack IIT. Now I want some of these children to grow up to crack IIT.”

The school caters to all the needs—food, uniform, books, stationary, school bags—all furnished by the “educate a child” scheme where donors fund a child’s education. Several IIT professors and alumni have “We low CBSE syllabus and train to apply for affiliation so the school can be elevated to P level,” said Arind Kum review committee member.
The most beautiful thing in this world is to see children smile, and the next big thing is to know that you are the reason behind that smile.

Shaifali Goyal, first year undergraduate student at Indian Institute Of Technology, Kharagpur had written a message on her behalf of an NGO called Gopali Youth Welfare Society [GYWS] which is completely run by students of IIT Kharagpur. As it is with most of Bengali villages, condition of vilages near the campus is really very bad in terms of employment, education, health and many other factors. That is why GYWS was formed in 2002. With their prime focus on education, the students are managing an English medium school in nearby village with beneficiaries of around 200 village children who are getting free education also they are provided with school uniform, notebooks and rest required materials. Just to clarify they don’t go and teach them but they manage school including teacher’s salary, staff salary, funding for the students uniform, notebooks and everything. They collect funds from industries to help this school grow. This is like a social initiative of the students with motivation of returning back something to the society around. Gopali Youth Welfare Society (GYWS) is a non-profit NGO run by the students of IIT Kharagpur, along with the help of local social enthusiasts, aiming to improve the living standards of people of village Gopali (a village in proximity with IIT campus), and tackling social, economic and educational problems faced by them.

Students of GYWS are managing a school in near by village benefiting 200 students. They provide them books, school uniform and all the required material. This is social initiative which collects funds from industries etc. They are trying to create a reform which will lead to better future for those students, society and country as well.

We need more such initiative if we want fulfill the dream of developed India.

Gopali Youth Welfare Society
Achievements

GYWS had many achievements in field of social work and education over the years, largely due to its youth team and support from local masses.

Following are few of the achievements:

1. GYWS has been empaneled in National CSR Hub by Tata Institute of Social Sciences.
2. We have started construction of permanent campus of our school Jagriti Vidyamandir and we have finished construction of 4 units.
3. The school has started to run in single shift after construction of 4th unit.
4. Jagriti Vidyamandir continues to grow and prosper, with over 200 students studying at the school from Nursery to Class 5.
5. GYWS has successfully rescued 12 child labourers till now, who are all currently enrolled in local government schools.
6. Mass awareness programs such as village survey, health camp, e-Samadhan have successfully been carried on.
7. All pass out students of Jagriti Vidyamandir were admitted to Hijli High School, IIT Campus.
8. The activities of GYWS are recognized and praised and appreciated by the entire academic community of IIT Kharagpur. Praise for GYWS has come from all quarters, including alumni, professors and students.
9. GYWS and its activities have been showcased on a number of platforms. The society had a stall at the PAN-IIT Alumni Meet in December 2012, at the arena of Spring Fest, the annual social and cultural meet of IIT Kharagpur, in January 2014 and January 2015 at the Annual Alumni Meet 2015-16.
10. Most important achievement of GYWS has been harnessing the potential of IITians (cream of Indian Education system) and utilize it in constructive work at grass root level. It raised level of confidence and self-worth among students and is sure to take them ahead in lives.
11. GYWS has successfully increased its reach over the web in the recent years. Currently having 11,800 likes, the Facebook page is now verified.
12. Amazon India has recognized our efforts towards good and we are now empaneled under CSR policy through their "Gift a Smile" program. The link to our wishlist has already been put up on the website and can now be used by Amazon users to make donations to us, the link to which is http://tinyurl.com/gyws-amazon.
Gratitude to donors and associates

The premise of Annual Report will always seem inadequate to name the endless list of our donors, sponsors and well-wishers from various sections of the society. Our heartfelt gratitude to all those who have shouldered the responsibility with us. Our endeavour has been constantly supported by IIT Kharagpur students and alumni. In this respect we receive monetary as well as advisory help from them. We expect such continued support and encouragement in the years to come so that we can work in unison towards living our dreams. We are grateful to Tiara Foundation, Tata Institute of Social Sciences, Nehru Yuva Kendra Sangathan and 3(B) Tech Air Sqn NCC for partnering with us in our endeavours. Their support and association is our asset. We aspire for this bonding to grow and prosper in future.

You Can Help Too

We shall be glad to acknowledge any kind of support for our movement and also for various projects. GYWS like any other non-profit organisation needs financial support from kind sponsors in order to run and extend its several services and activities.

Following are the ways in which you can support us and thus the NATION.

Educate A Child

Take the monitory responsibility of a child in our school.

There are many students studying in JVM, whose family economic condition is very poor. For such students, who cannot afford to buy even a pencil, we have a scheme Educate A Child (EACH). Under this, anyone can come forward and help these underprivileged but bright kids to carry on their studies and brighten their future.

Make A Contribution

Regular contributions and one time donations are welcomed.

Sponsor

Anyone willing to sponsor uniform, books, and other class utilities can do so by funding the corresponding expenditure.
Spread the Word

Let other people know about our NGO. Inspire them to take part in this mission.

Feedback

You can always help us with your valuable suggestions and reviews.

The most beautiful thing
in the world is to see
children smile. Next is to
know that you are the
reason for that smile.
