

ALUM MEET

Alum meet was organised from 10 Jan to 12 Jan to increase our reach among alumni of institute. One stall was setup in alum meet in which we focused on collecting contacts of alumni for funds and CSR contacts. Contacts were collected and meetings were done with potential donors followed by school visit. Presentation was also done in 3 halls. A detailed proposal was made in front of interested alumni. Some of the alumni showed interest in contributing for society. The biggest take away the society from alum meet was we were able to spread our work among 100 alumni.

SF STALL

A stall was set up in the arena of SF on 25th January 2020 i.e. Saturday. The theme of the stall was Cleanliness and it received huge appreciation from various people including the General Secretaries of various halls and the people who came to visit this fest. Many people participated in the activities organised in the stall. A lot of people became aware about the working our GYWS.

SARASWATI PUJA

On the occasion of Saraswati puja, the students of JVM gathered to celebrate Saraswati Puja on January 29th in the school premises. Students and the teachers took part in the prayer with dedication towards Saraswati, who is the goddess of education, music and all forms of arts. At last, prasad was distributed to everyone who took part in the puja.

PERCEPTION

Many donors appreciated our work. Recently some donors visited our school. Out of them was Bina Dewan whose words of appraisal are "We are pleased to see the work you are doing and it's a big need to educate the children and there's no school available. We wish you all the best."

YOGDAAN

An awareness campaign carried out by the students of IIT in the middle weeks of January was conducted to make the crowd aware of working of the society so that they too get motivated towards this praiseworthy initiative. GYWS members visited each and every room in the campus to make this happen. The main reason of the event was to collect funds for building smart classes in our school Jagriti Vidya Mandir. People gave praiseworthy responses.

KSHITIJ

The annual techno-management fest of IIT Kharagpur was conducted from 17 to 19 Jan 2020. Under the AAROHAN Initiative Gopali Youth Welfare Society in collaboration with Kshitij organised a school trip for students of Jagriti Vidya Mandir. On 18th Jan 10 students of class 4th along with 2 teachers (Tara Subba and Rakhi Rai) visited Kshitij fest. Students were amused by various robots and technical activities. It was memorable day for them.

REPUBLIC DAY

Republic day was celebrated on January 26th with the students of JVM and made them realise their responsibility towards the nation. They were motivated to learn and get the maximum knowledge. The Indian flag was hoisted and various events were conducted for the participation of the students. The importance of democracy and the making of our constitution were explained by the teachers. It was followed by march past, patriotic songs, dance performances and sweet distribution. Through this, the students came to know about the significance of Republic day, and our constitution.
